<p style="text-align: right;">Page 5</p> <p>1 DAVID J. VENTURELLA</p> <p>2 having been first duly sworn or affirmed, was examined</p> <p>3 and testified as follows:</p> <p>4</p> <p>5 DIRECT EXAMINATION</p> <p>6 BY MR. FREE:</p> <p>7 Q. Good morning, sir. How are you feeling today?</p> <p>8 A. Good.</p> <p>9 Q. Good.</p> <p>10 Where do you work?</p> <p>11 A. I work for The GEO Group.</p> <p>12 Q. What is your position?</p> <p>13 A. I'm the Senior Vice-President of Business</p> <p>14 Development.</p> <p>15 Q. When did you begin in that role?</p> <p>16 A. I think in February of 2014.</p> <p>17 Q. Did you work for The GEO Group prior to</p> <p>18 February, 2014?</p> <p>19 A. Yes. I was the Executive - Executive</p> <p>20 Vice-President for Business Development starting in July</p> <p>21 of 2012.</p> <p>22 Q. And so your current position is a promotion</p> <p>23 from your previous one?</p> <p>24 A. Correct.</p> <p>25 Q. Where did you work prior to July of 2012?</p>	<p style="text-align: right;">Page 7</p> <p>1 you've just told me about were jobs that you held after</p> <p>2 you went back to ICE?</p> <p>3 A. Correct.</p> <p>4 Q. Okay, when did you go back to ICE for the last</p> <p>5 time?</p> <p>6 A. I think it was June of 2008.</p> <p>7 Q. All right, what did you do before that in the</p> <p>8 private sector?</p> <p>9 A. In the private sector I was Director of</p> <p>10 Business Development for L3 Communications and then</p> <p>11 before that I was the Vice-President for Homeland</p> <p>12 Security in a company called USIS.</p> <p>13 Q. What does USIS do?</p> <p>14 A. They were primarily a government services</p> <p>15 provider in the area of personnel secured.</p> <p>16 Q. And did you hold any other positions in the</p> <p>17 private sector during that sort of interstitial period</p> <p>18 between your employment at ICE and going back?</p> <p>19 A. No.</p> <p>20 Q. Okay, so just USIS and L3?</p> <p>21 A. Correct.</p> <p>22 Q. Okay, and right before you went into the</p> <p>23 private sector in the I think -- What was your last</p> <p>24 position at ICE?</p> <p>25 A. Can you repeat that?</p>
<p style="text-align: right;">Page 6</p> <p>1 A. Before that I worked for the U.S. Immigration</p> <p>2 and Customs Enforcement in Washington D.C.</p> <p>3 Q. What did you do there?</p> <p>4 A. My last position was the Assistant Director</p> <p>5 for Field Operations.</p> <p>6 Q. When did you leave your employment with ICE?</p> <p>7 A. May of 2012.</p> <p>8 Q. Did you have any employment between ICE and</p> <p>9 GEO?</p> <p>10 A. No.</p> <p>11 Q. That was your last position at ICE. What</p> <p>12 position or positions did you hold prior to your last</p> <p>13 one?</p> <p>14 A. Prior to that one I served as the Executive</p> <p>15 Director for the Secure Communities Program. I was the</p> <p>16 Acting Director for Enforcement and Removal Operations,</p> <p>17 and I believe that's it.</p> <p>18 Q. If I understand your background correctly --</p> <p>19 It's okay. We're just going to have a conversation.</p> <p>20 A. Yes. Sure.</p> <p>21 Q. So if I understand your background correctly,</p> <p>22 there was a period where you left ICE and then went back</p> <p>23 or left DHS employment and went back; is that right?</p> <p>24 A. That is correct.</p> <p>25 Q. Okay, and so the two jobs - the jobs that</p>	<p style="text-align: right;">Page 8</p> <p>1 Q. So right before you went to work for USIS you</p> <p>2 were working for ICE, right?</p> <p>3 A. Correct.</p> <p>4 Q. What were you doing right before you left at</p> <p>5 that time?</p> <p>6 A. I was the Acting Director for the Enforcement</p> <p>7 and Removal Operations Program.</p> <p>8 Q. Also in Washington D.C.?</p> <p>9 A. Correct.</p> <p>10 Q. Okay, and prior to -- And kind of what were</p> <p>11 the - generally the date ranges when you were the Acting</p> <p>12 Director for - for ERO?</p> <p>13 A. It was a short period of time, so I would say</p> <p>14 months, but I - you know, four, five months.</p> <p>15 Q. Okay, prior to that?</p> <p>16 A. Prior to that I held the position of Deputy</p> <p>17 Director for the same program.</p> <p>18 Q. And the rough periods that you held that</p> <p>19 position?</p> <p>20 I'm not going to hold you to like exact dates.</p> <p>21 A. Yeah.</p> <p>22 Q. Just years, maybe.</p> <p>23 A. Yeah, it was a few years. It's a little fuzzy</p> <p>24 when I actually started.</p> <p>25 Q. Okay, you've been in the Agency prior to your</p>

<p style="text-align: right;">Page 9</p> <p>1 leaving ICE in 2004, you've been in the Agency for 2 eighteen years or something like that, right? 3 A. I started in 1986 and then through 2002, 4 right. 5 Q. Okay, so '86 to '02? 6 A. Yeah. 7 Q. And then you go into the private sector in 8 '02? 9 A. Again a little fuzzy. '02 -- 10 Q. Sure. 11 A. -- maybe '03, but -- 12 Q. Okay. 13 A. -- it was a four year break in between the 14 two -- 15 Q. Okay. 16 A. -- stints with the government. 17 Q. Did you always work in Washington D.C.? 18 A. No. I started off in Chicago. 19 Q. All right, what was the highest level position 20 that you - that you held when you were working I guess 21 then for INS in Chicago? 22 A. Correct. 23 The highest level -- 24 Q. Yes, sir. 25 A. -- position would be -- I'm trying to remember</p>	<p style="text-align: right;">Page 11</p> <p>1 function. I also worked on the benefits side, 2 naturalization, green card renewals, et cetera. 3 Q. Okay, so you did some application 4 adjudications? 5 A. Yeah. Absolutely. 6 Q. Okay, did you also do enforcement activities? 7 A. Yes. 8 Q. Okay, what is your highest level of education? 9 A. A Bachelor of Science in Political Science. 10 Q. Okay, have you ever supervised a detention 11 center? 12 A. Yes. 13 Q. Which one? 14 A. The Broadview staging facility. It's in 15 Chicago. 16 Q. When did you do that? 17 A. Sometime in the 90's. 18 Q. Yeah, roughly again. 19 A. Right. Okay. 20 Q. Twenty years ago. 21 And for how long were you the person in charge 22 of that facility? 23 A. I would say at least a couple years. 24 Q. Okay, let's get back to your current 25 employment.</p>
<p style="text-align: right;">Page 10</p> <p>1 what the title was back then, but it would have been 2 Deputy District Director. 3 Q. Was that kind of the equivalent of what we 4 would think of as a Field Office Director today? 5 A. Yeah. I would say it's equivalent. 6 Q. Okay, did you -- But within INS you were on 7 the enforcement side. Do you understand what I mean 8 after INS gets broken up in 2002 under the Homeland 9 Security Act -- 10 A. Right. 11 Q. -- and then to ICE and USCIS? 12 A. Right. 13 Q. You were not doing the benefits part of INS, 14 you were on the enforcement side, right? 15 A. That's correct. 16 Q. Okay, and that was the whole time? You were 17 never like a benefits officer granting green cards or 18 adjudicating applications? 19 A. After 2002? 20 Q. At any time in your career -- 21 A. Oh, well -- 22 Q. -- in ICE. 23 A. -- sure. I mean between '86 and 2002 I did 24 have - I worked as an immigration inspector as a 25 collateral duty, not - you know, part of my primary</p>	<p style="text-align: right;">Page 12</p> <p>1 A. Okay. 2 Q. What are your current responsibilities? 3 A. Well, I'm responsible for all of the business 4 development activities for the company which means 5 identifying opportunities that we would be interested 6 in, we would be well suited for, analyzing, qualifying 7 and then making recommendations to our senior leadership 8 whether or not we should pursue such opportunities and 9 then if we do decide to pursue such opportunities then I 10 have a team of folks that manage the proposal process, 11 scheduling and coordination. 12 Q. Is it correct to say -- I want to make sure 13 that we understand each other and we're using the same 14 language. Is it correct to say that the people who work 15 with you are in the business development part of GEO as 16 opposed to the contract compliance part of GEO? 17 A. Oh, that's correct. 18 Q. Okay, and to whom do you report? 19 A. To the CEO. 20 Q. That's George Zoley? 21 A. That's correct. 22 Q. Okay, approximately how many people work for 23 you? 24 A. About eleven. 25 Q. And are they all here in Florida?</p>

<p style="text-align: right;">Page 13</p> <p>1 A. Yes.</p> <p>2 Q. Okay, how do you go about identifying new</p> <p>3 business opportunities that might enhance GEO's revenue?</p> <p>4 A. Well, you can do it a number of different</p> <p>5 ways. Certainly we have a current portfolio of clients</p> <p>6 that we service now and so certainly in having</p> <p>7 discussions with them asking them if there are</p> <p>8 additional opportunities that they foresee in the future</p> <p>9 is one way. You know, we attend a lot of conferences,</p> <p>10 we speak to a lot of people on the ground again figuring</p> <p>11 out if there are opportunities that are coming.</p> <p>12 Sometimes you look at - you look at the news, you read,</p> <p>13 for example, like Miami-Dade is in need of a new</p> <p>14 facility, a county facility so, you know, that - that</p> <p>15 then sparks the - the additional activity to - to make</p> <p>16 some contacts and reach out to see if it's actually a</p> <p>17 real opportunity.</p> <p>18 Q. Sure.</p> <p>19 It is my understanding, and you tell me if I'm</p> <p>20 incorrect, that you don't just do business development</p> <p>21 regarding GEO's ICE detention portfolio but you also do</p> <p>22 business development on other activities that GEO</p> <p>23 conducts vis-a-vis Corrections or community supervision</p> <p>24 or other residential treatment centers; is that right?</p> <p>25 A. Correct.</p>	<p style="text-align: right;">Page 15</p> <p>1 community Corrections services as well.</p> <p>2 Q. Do you advice or suggest to senior leadership</p> <p>3 potential acquisitions of other companies or -- Yeah,</p> <p>4 other companies. Let's start there.</p> <p>5 A. No.</p> <p>6 Q. You do not?</p> <p>7 A. I do not.</p> <p>8 Q. Okay, were you here when GEO acquired BI?</p> <p>9 A. I was not.</p> <p>10 Q. Okay, what was your highest GS level before</p> <p>11 you - when you left ICE?</p> <p>12 A. I was in the Senior Executive Service.</p> <p>13 Q. Were you on the executive pay scale?</p> <p>14 A. Yes.</p> <p>15 Q. Did you seek or receive ethics advice prior to</p> <p>16 leaving ICE and taking on your employment with GEO --</p> <p>17 A. Yes.</p> <p>18 Q. -- in July?</p> <p>19 What was that advice?</p> <p>20 A. What were my limitations, what could I do,</p> <p>21 could not do. Basically the one-on-one on leaving the</p> <p>22 government and going into the private sector.</p> <p>23 Q. And I want you to understand I'm not asking</p> <p>24 you for an exhaustive list of things you could or</p> <p>25 couldn't do, but did you understand there to be certain</p>
<p style="text-align: right;">Page 14</p> <p>1 Q. Okay, so you're not limited to ICE detention?</p> <p>2 A. That is correct.</p> <p>3 Q. Okay, but you are responsible for identifying</p> <p>4 new opportunities and increasing corporate profits,</p> <p>5 finding new sources of revenue within the immigration</p> <p>6 detention space, right?</p> <p>7 A. Not limited to the immigration detention</p> <p>8 space.</p> <p>9 Q. Okay, but that's one of your --</p> <p>10 A. Sure.</p> <p>11 Q. -- pieces of work, right?</p> <p>12 A. Yes.</p> <p>13 Q. Okay, is there anybody who specifically works</p> <p>14 for you that's tasked with that end of it, the ICE</p> <p>15 detention end of it?</p> <p>16 A. No.</p> <p>17 Q. Okay, and prior to getting your promotion and</p> <p>18 taking over your current role, how did your job differ</p> <p>19 from what it is today?</p> <p>20 A. It was more focused on domestic and very</p> <p>21 specifically to Detention and Corrections, so Federal,</p> <p>22 State and local level.</p> <p>23 When I received the promotion then additional</p> <p>24 areas of responsibility were added to include</p> <p>25 international and supporting some of our reentry and</p>	<p style="text-align: right;">Page 16</p> <p>1 guardrails vis-a-vis GEO's business with ICE?</p> <p>2 A. Correct. Yes.</p> <p>3 MR. DONOHUE: Object to the form.</p> <p>4 BY MR. FREE:</p> <p>5 Q. Okay, what did you understand those limits to</p> <p>6 be?</p> <p>7 A. I could not have contact with ICE officials</p> <p>8 for - or I shouldn't say just ICE officials, DHS, any of</p> <p>9 the component agencies for a twelve month period, I</p> <p>10 could not sign correspondence that went to those</p> <p>11 agencies. I could certainly advise my company</p> <p>12 behind-the-scenes, but I could not participate in any</p> <p>13 meetings, discussions that they would have with any of</p> <p>14 those components within DHS.</p> <p>15 Q. It's correct - it's correct to say that those</p> <p>16 ethical guidance pieces that you got from your Agency</p> <p>17 pertained to communications and contacts between your</p> <p>18 new boss and your old boss, right?</p> <p>19 MR. DONOHUE: Object to the form.</p> <p>20 BY MR. FREE:</p> <p>21 Q. Yeah, let's - let me - those -- What you've</p> <p>22 just described to me --</p> <p>23 A. Sure.</p> <p>24 Q. -- pertains to communications and contacts.</p> <p>25 Did I understand you correctly?</p>

<p style="text-align: right;">Page 17</p> <p>1 A. With me and -- Yeah.</p> <p>2 Q. You directly?</p> <p>3 A. Yes. Me directly.</p> <p>4 Q. I'm sorry to interrupt you.</p> <p>5 A. Yeah. No, it's okay.</p> <p>6 Q. But that's right? It's just you individually?</p> <p>7 A. Correct.</p> <p>8 Q. Okay, it didn't preclude GEO from talking to</p> <p>9 DHS?</p> <p>10 A. That's correct.</p> <p>11 Q. All right, and it doesn't preclude you, I</p> <p>12 think, I understand the rules to be, it doesn't preclude</p> <p>13 you from taking the information that you've gained in</p> <p>14 your twenty-two years of experience at ICE and applying</p> <p>15 some of that information to GEO?</p> <p>16 MR. DONOHUE: Object to the form.</p> <p>17 BY MR. FREE:</p> <p>18 Q. You can answer the question.</p> <p>19 A. Oh, okay. I wasn't sure of the process there.</p> <p>20 Sure, so I could provide advice to - to GEO</p> <p>21 behind the scenes, yes.</p> <p>22 Q. And that was an added benefit to your hire by</p> <p>23 this company, right?</p> <p>24 MR. DONOHUE: Object to the form.</p> <p>25 THE WITNESS: I - that I don't know.</p>	<p style="text-align: right;">Page 19</p> <p>1 A. It was for me a time for a change. I had</p> <p>2 achieved my twenty years of covered service which is a</p> <p>3 milestone for law enforcement personnel.</p> <p>4 Q. You're on a pension?</p> <p>5 A. I'm eligible for a pension. I don't receive</p> <p>6 one now.</p> <p>7 Q. Do you have to wait it out or is there --</p> <p>8 A. I do. I have to wait.</p> <p>9 Q. How far away?</p> <p>10 A. Fifty-seven or sixty-two. It just depends on</p> <p>11 when I choose to exercise it and how much reduction I</p> <p>12 get from that.</p> <p>13 Q. All right. Okay, have you ever visited the</p> <p>14 Adelanto facility?</p> <p>15 A. I have.</p> <p>16 Q. And I want to be really clear. When I'm</p> <p>17 referring to the Adelanto facility I'm referring to the</p> <p>18 immigration detention facility that's operated under a</p> <p>19 contract currently, I believe, with GEO and ICE and the</p> <p>20 City of Adelanto. I'm not referring to the prison</p> <p>21 next-door and for the rest of these questions we're just</p> <p>22 going to talk about the ICE processing center. Can we</p> <p>23 agree on that?</p> <p>24 A. Yes.</p> <p>25 Q. Great.</p>
<p style="text-align: right;">Page 18</p> <p>1 BY MR. FREE:</p> <p>2 Q. You probably had a better understanding of how</p> <p>3 ICE and DHS work than someone who didn't work there?</p> <p>4 Would you just generally say --</p> <p>5 A. I would.</p> <p>6 Q. -- that that's probably true?</p> <p>7 MR. DONOHUE: Let me just make an objection.</p> <p>8 Object to the form, calls for speculation.</p> <p>9 THE WITNESS: I think my experience and</p> <p>10 expertise certainly was helpful.</p> <p>11 BY MR. FREE:</p> <p>12 Q. You're a very senior official at ICE?</p> <p>13 MR. DONOHUE: Object to the form.</p> <p>14 THE WITNESS: I --</p> <p>15 MR. DONOHUE: Vague.</p> <p>16 THE WITNESS: I wouldn't say - I wouldn't</p> <p>17 say --</p> <p>18 BY MR. FREE:</p> <p>19 Q. You told me earlier you were a very senior?</p> <p>20 A. No. No. I said I was in the senior executive</p> <p>21 service which is just a pay scale.</p> <p>22 Q. Okay, I got it. All right. Okay, cool.</p> <p>23 Why did you leave DHS employment?</p> <p>24 A. I'm sorry?</p> <p>25 Q. Why - what made you want to leave DHS?</p>	<p style="text-align: right;">Page 20</p> <p>1 When is the most recent time you visited</p> <p>2 Adelanto?</p> <p>3 A. I think in February of this year.</p> <p>4 Q. What brought you there?</p> <p>5 A. We had a series of visits scheduled throughout</p> <p>6 the State of California and so we had just stopped by,</p> <p>7 visited, said - said hello to our folks and just toured</p> <p>8 around that facility as well as the Desert View</p> <p>9 facility.</p> <p>10 Q. Who's we?</p> <p>11 A. Myself, George Zoley, Kyle Schiller who is an</p> <p>12 employee of the Operations Division, I think John</p> <p>13 Christakis who's our Chief Medical Officer, our Regional</p> <p>14 Vice-President. There may have been a few other people</p> <p>15 that attended as well.</p> <p>16 Q. Is the Regional Vice-President James Black?</p> <p>17 A. No.</p> <p>18 Q. Who is that?</p> <p>19 A. That is Paul Laird, L-a-i-r-d.</p> <p>20 Q. Thanks.</p> <p>21 Is that a regular occurrence or an annual</p> <p>22 occurrence where you go and tour these facilities or was</p> <p>23 there some special reason why you were going there in</p> <p>24 February of this year?</p> <p>25 A. As I stated, we had other meetings scheduled</p>

<p style="text-align: right;">Page 21</p> <p>1 throughout the state and so since we were in - in the</p> <p>2 State of California we decided to make that - that trip</p> <p>3 out there.</p> <p>4 Q. How many times had you been there before going</p> <p>5 in February?</p> <p>6 A. I would say at least once annually again</p> <p>7 mostly to - to visit because we've had meetings or</p> <p>8 conferences out there and so it's always good when</p> <p>9 you're in the area to stop by, say hello, see how things</p> <p>10 are going.</p> <p>11 Q. If I understand the timeline of your</p> <p>12 employment and the existence of Adelanto correctly, you</p> <p>13 would not have been at DHS when GEO was operating</p> <p>14 Adelanto, you would not have visited as a DHS official;</p> <p>15 is that right?</p> <p>16 A. Correct. I did not visit --</p> <p>17 Q. Okay.</p> <p>18 A. -- that facility.</p> <p>19 Q. And so every visit that you've taken has been</p> <p>20 in your employment with GEO?</p> <p>21 A. We did sit in the conference room though,</p> <p>9 okay, so --</p> <p>10 Q. What did you talk about?</p> <p>11 A. Well, again how - how are things going, you</p> <p>12 know, so there wasn't a particular agenda, but again</p> <p>13 more of a meet and greet, okay, let's go look at the</p> <p>14 facility.</p> <p>15 Q. Do you have any recollection as to how things</p> <p>16 were going?</p> <p>17 A. At the facility?</p> <p>18 Q. Yes, sir.</p> <p>19 When you were sitting in the conference room</p> <p>20 talking about it what was the general sense?</p> <p>21 A. That we were performing well.</p> <p>22 Q. Okay, at that time was the facility almost at</p> <p>23 full occupancy or near, near it?</p> <p>24 A. I don't recall.</p> <p>25 Q. Okay, that wasn't discussed?</p>
<p style="text-align: right;">Page 22</p> <p>1 A. An hour.</p> <p>2 Q. Okay, did you actually go inside the secure</p> <p>3 area or did you go to the sort of office area over on</p> <p>4 the west side?</p> <p>5 A. We did go inside the secure area.</p> <p>6 Q. What did you see?</p> <p>7 A. Detainee hold rooms, the medical food service,</p> <p>8 so I mean usually when we go we - we look at all</p> <p>9 aspects.</p> <p>10 Q. Was there somebody responsible for being your</p> <p>11 point of contact, the person who led your tour?</p> <p>12 A. That would have been the Facility</p> <p>13 Administrator, James Janecka.</p> <p>14 Q. Okay, did you go anywhere else within the</p> <p>15 facility?</p> <p>16 A. I think we covered all of the facility.</p> <p>17 Q. Okay, did Mr. Janecka or anyone else provide</p> <p>18 you any written materials in advance of your visit?</p> <p>19 A. No.</p> <p>20 Q. Okay, did you have any substantive discussions</p> <p>21 about GEO's performance at the facility or was it more</p> <p>22 of just a meet and greet?</p> <p>23 A. More --</p> <p>24 MR. No.</p> <p>5 Q. Any discussions of alterations in the contract</p> <p>6 of the facility?</p> <p>7 A. No.</p> <p>8 Q. Were ICE officials present on your tour?</p> <p>9 A. I mean there's always ICE officials around --</p> <p>10 Q. Okay.</p> <p>11 A. -- but they were not participating in the</p> <p>12 tour, but certainly if we encountered one we spoke to</p> <p>13 them.</p> <p>14 Q. Who was that?</p> <p>15 A. Well, I don't know. There's a number of</p> <p>16 officers that work there.</p> <p>17 Q. Nobody that sticks out in your mind?</p> <p>18 A. No.</p> <p>19 Q. Okay, but they weren't on the tour with you,</p> <p>20 they were just physically located on the site because</p> <p>21 they have offices, if I understand you correctly?</p> <p>22 A. Right, and they're performing their functions</p> <p>23 and duties.</p> <p>24 Q. Okay, this was a GEO event, this wasn't GEO</p> <p>25 and ICE doing any sort of meet and greet, if I</p>

Okay, so The GEO Group is a private</p> <p>12 publicly traded real estate investment trust; is that</p> <p>13 right?</p> <p>14 A. Yes.</p> <p>15 Q. Okay, your main business as an - as a</p> <p>16 government contractor is to service the needs of your</p> <p>17 government partners; is that right?</p> <p>18 A. Yes.</p> <p>19 Q. Okay, and it's my understanding that almost</p> <p>20 all of the revenue from GEO's - almost all of GEO's</p> <p>21 revenue comes from government contract partners; is that</p> <p>22 correct?</p> <p>23 A. Okay, and do you have any understanding of</p> <p>7 what portion of ICE's immigration detention needs are</p> <p>8 serviced by GEO each year in terms of beds?</p> <p>9 A. I do not.</p> <p>10 Q. Do you have any idea roughly but current</p> <p>11 average daily population that ICE is detaining for adult</p> <p>12 immigration detention?</p> <p>13 A. Other than what I read in the media reports</p> <p>14 which I think is north of fifty thousand.</p> <p>15 Q. From the Federal Government.</p> <p>15 Q. Okay, and the largest Federal Government</p> <p>16 contracting partner by revenue for GEO is ICE; is that</p> <p>17 right?</p> <p>18 A. I think that is correct as of today.</p> <p>19 Q. Okay, who are GEO's key competitors in the</p> <p>20 immigration detention space for Federal Government</p> <p>21 contracts here in the United States?</p> <p>22 A. That would be CoreCivic, LaSalle Corrections,</p> <p>23 MTC and then, you know, thousands of county jails that</p> <p>24 provide similar services to ICE.</p> <p>25 Q. When you say a limited inventory of beds, what 5 I understand that to mean, and tell me if I'm wrong, is 6 GEO has a certain number of facilities with a certain 7 number of beds available that it could make available to 8 ICE and that number is limited at this moment? 9 A. Yes. 10 Q. Okay, how would GEO go about increasing its 11 supply of beds that it could offer to ICE? 12 A. We would have to build more, more beds. 13 Q. Could you enter into intergovernmental 14 services agreements with counties or states instead of 15 building? In other words, take existing space and 16 manage the facility. 17 A. As a REIT that's not what we would prioritize. 18 Q. Why not? 19 A. Because there are REIT rules that determine or 20 govern how much of your business can be non REIT and 21 that would be non REIT, so that would not be our 22 preference. 23 Q. Do you have any idea, I'm not going to hold 24 you to an exact number, but do you have any idea how 25 much of GEO's business is non REIT right now?</p>	<p style="text-align: right;">Page 31</p> <p>1 there? 2 A. No. 3 Q. Do you recall approximately when that 4 corporate change occurred? 5 A. I - I'm guessing it might have been around 6 2014. 7 Q. Did you have any role in shifting the 8 corporate structure from what it was before to what it 9 is now? 10 A. No. 11 Q. Okay, that's not something that you were 12 working on? 13 A. Correct. 14 Q. Okay, but it does in some way limit the -- 15 GEO's REIT structure does in some way limit, if I 16 understand your testimony, the number of beds that GEO 17 can offer ICE? 18 MR. DONOHUE: Object to the form. 19 THE WITNESS: I don't think that REIT 20 structure necessarily limits. It's basically what 21 we - our capacity is and -- 22 BY MR. FREE: 23 Q. <p style="text-align: right;">Page 30</p> <p>1 A. I do not know. 2 Q. Okay, so you don't - you can't tell me today 3 as you're sitting here how much room GEO has to kind of 4 maximize that non REIT income? 5 A. No, I do not. 6 Q. Okay, is the contract with Adelanto a REIT or 7 non REIT activity? 8 A. It is a REIT activity. 9 Q. Why is that? 10 A. Because we own and operate the facility. 11 Q. Okay, so do you have any understanding 12 generally of the benefits of being a REIT to GEO? 13 MR. DONOHUE: Object to the form. 14 THE WITNESS: My understanding of the benefit 15 is more tax related and I can't get - I don't know 16 the specifics of that, but I know there's a benefit 17 and then there's certainly a requirement to 18 distribute, I'm not sure if I'm going to get this 19 term right, but your profits back to shareholders. 20 BY MR. I think what 2 you're trying to tell me is in order to provide ICE more 3 beds we would have to own and build more facilities and 4 we don't have many more right now? 5 A. That is correct. 6 Q. Thank you. 7 Okay, do you happen to know as you sit here 8 today how many facilities GEO owns that it contracts 9 with ICE to house adult immigration detainees? 10 A. You said you're not going to hold me to the 11 exact number? I think fourteen. 12 Q. I'd like you to do the best you can. 13 A. I think - I think it's fourteen. 14 Q. But, yeah. No, we're -- 15 A. Yeah. 16 Q. Okay, how many in California? 17 A. Two. 18 Q. Okay, which ones are those? 19 A. That would be the Adelanto facility and the 20 facility known as Mesa Verde. 21 Q. That's in Bakersfield? 22 A. Correct. 23 Q. Okay, do you have any understanding as you sit 24 here today as to the main groups of shareholders that 25 own GEO stock, like who's the biggest?</p>

<p style="text-align: right;">Page 37</p> <p>1 A. Yes.</p> <p>2 Q. Can you tell me what those types of contracts</p> <p>3 are.</p> <p>4 A. Well, there's two types of contracts. There -</p> <p>5 there's what we call a direct contract, and I don't know</p> <p>6 if that's the proper term, which is where an RFP is</p> <p>7 issued, the government follows the Federal Acquisition</p> <p>8 Regulations, we provide a response, they accept it or</p> <p>9 reject it, if they accept it then we enter into</p> <p>10 negotiations and then a - a contract is finalized and</p> <p>11 executed and then there's a number of activities and</p> <p>12 deliverables from that point forward in executing the</p> <p>13 contract.</p> <p>14 The other is an intergovernmental service</p> <p>15 agreement which I think is maybe covered by the FAR as</p> <p>16 well, but that's - those are the only two types of</p> <p>17 contracts I'm aware of.</p> <p>18 Q. Within the first bucket, the direct contract,</p> <p>19 it's my understanding that those are contracts that are</p> <p>20 directly between GEO and ICE; is that right?</p> <p>21 A. That's correct.</p> <p>22 Q. And then the intergovernmental service</p> <p>23 agreements or IGSA's are contracts between GEO, ICE and</p> <p>24 some third-party; is that right?</p> <p>25 A. Correct.</p>	<p style="text-align: right;">Page 39</p> <p>1 words, if a service processing center is federally owned</p> <p>2 and GEO is not the Federal Government and therefore does</p> <p>3 not own any Federal facilities then you couldn't enter</p> <p>4 into a service processing center agreement?</p> <p>5 A. That's not correct because --</p> <p>6 Q. Okay.</p> <p>7 A. -- the operations, the transportation, the</p> <p>8 medical, the food is all outsourced at NSPC, so</p> <p>9 potentially, yes, we could bid on any one of those</p> <p>10 services should the government issue a procurement --</p> <p>11 Q. Okay.</p> <p>12 A. -- in which they have.</p> <p>13 Q. And do you, in fact, provide any of those</p> <p>14 services at SPCs?</p> <p>15 A. We do not.</p> <p>16 Q. Okay, would those be REIT activities or non</p> <p>17 REIT activities?</p> <p>18 A. Those would be non REIT activities we wouldn't</p> <p>19 pursue.</p> <p>20 Q. Why?</p> <p>21 A. Because we don't own the property.</p> <p>22 Q. Okay, so what we're really talking about then</p> <p>23 are contract detention facilities and IGSA's when we're</p> <p>24 talking about a detention contract as opposed to</p> <p>25 services contracts?</p>
<p style="text-align: right;">Page 38</p> <p>1 Q. And in the case of immigration detention</p> <p>2 that's going to be a state or local government</p> <p>3 typically; is that right?</p> <p>4 A. Correct.</p> <p>5 Q. Anybody else who could be the third-party in</p> <p>6 an IGSA?</p> <p>7 A. Not - not that I'm aware of.</p> <p>8 Q. Okay, and you can't think of any GEO contracts</p> <p>9 that don't involve an IGSA - GEO intergovernmental</p> <p>10 services agreements, excuse me, that are not a state or</p> <p>11 local government contracting with ICE and GEO?</p> <p>12 A. Right. I'm not aware of any.</p> <p>13 Q. Now within the first category that you have</p> <p>14 described, direct contracts, can you tell me the</p> <p>15 difference between a service processing center and a</p> <p>16 contract detention facility?</p> <p>17 A. A service processing center is typically a</p> <p>18 government - a Federal Government owned facility, so I</p> <p>19 think they have four or five of those throughout the</p> <p>20 country and a contract detention facility is one that is</p> <p>21 privately owned.</p> <p>22 Q. So the only part, if I understand your</p> <p>23 testimony correctly, the only one of those that GEO</p> <p>24 would compete for then is a contract detention facility;</p> <p>25 is that right? You couldn't -- If a service -- In other</p>	<p style="text-align: right;">Page 40</p> <p>1 Let me clear this up and say it a different</p> <p>2 way.</p> <p>3 The Adelanto ICE Processing Center is operated</p> <p>4 pursuant to an intergovernmental services agreement,</p> <p>5 right?</p> <p>6 A. Correct.</p> <p>7 Q. It's not a contract detention facility?</p> <p>8 A. We consider it a contract detention facility</p> <p>9 because we own and operate that facility. The mechanism</p> <p>10 by which ICE is able to obtain our services is through</p> <p>11 the IGSA, but we consider it a contract detention</p> <p>12 facility.</p> <p>13 Q. And by we you mean GEO?</p> <p>14 A. Yeah. Yes, GEO.</p> <p>15 Q. Okay, so you do not consider it an</p> <p>16 intergovernmental services agreement or you acknowledge</p> <p>17 that it's an intergovernmental services agreement but</p> <p>18 you treat it internally as a CDF?</p> <p>19 A. Correct.</p> <p>20 Q. The second one I said is right?</p> <p>21 A. Treated as a CDF?</p> <p>22 Q. Yeah.</p> <p>23 A. Yes.</p> <p>24 Q. Understanding that there is this third-party</p> <p>25 Adelanto, right?</p>

Sure. 12 Do you have any understanding as to whether 13 the facility at Adelanto will be able to continue as an 14 intergovernmental services agreement after the end of 15 this month? 16 MR. DONOHUE: The same objection. 17 THE WITNESS: So my understanding is that the 18 City of Adelanto provided notice of termination to 19 ICE, so the answer would be no. 20 BY MR. FREE: 21 Q. No, you don't have any understanding or -- 22 A. No. I'm sorry. No that it will not continue 23 as an IGSA. 24 Q. I think I know what you mean when you say 4 bureaucracy, but I think you're talking about Federal 5 Government bureaucracy as opposed to GEO's bureaucracy? 6 Am I correct? 7 A. Correct. 8 Q. Okay. 9 A. Correct. 10 Q. It's probably a little easier to get contracts 11 done here than in the government I think just generally, 12 right? 13 A. Yes. 14 Q. Okay, do you know who's responsible within GEO 15 for the process that you've described that's underway to 16 figure out what the structure's going to be after 17 Adelanto pulls out? 18 A. I don't think I quite understand. I mean I - 19 we have an individual in a department that administers 20 the contract and then you have operations that actually 21 service - you know, provide the people and the - and the 22 transportation assets, et cetera, so there are different 23 components of GEO that will provide those activities and 24 services, so depending on what you mean. 25 Q. Yeah, let me clarify.</p>

As - as you sit here today do you have any 9 reason to believe that once Adelanto follows through on 10 its termination of the intergovernmental services 11 agreement operations will stop at Adelanto? 12 A. Can you repeat that? 13 Q. I'll just say it a different way. 14 A. Sure. 15 Q. Once Adelanto's out the facility's not going 16 to shut down, is it? 17 A. I can't say that with absolute a hundred 18 percent certainty. 19 Q. Okay, why not? 20 A. Because we don't have a contract in place with 21 the Federal Government, with ICE. 22 Q. What do you see as the impediments from your 23 perspective to getting that contract, if any? 24 A. Bureaucracy. I don't know what's going on 25 because I'm not involved in the - the negotiations. I</p>	<p style="text-align: right;">Page 44</p> <p>1 A. Okay. 2 Q. You said earlier there's a process that's 3 ongoing? 4 A. Yes. 5 Q. Okay, who to your understanding is in charge 6 of that process for GEO? 7 A. That would be Amber Martin who's our head of 8 Contract Administration. 9 Q. Okay, and she to the extent that there are 10 negotiations back and forth between GEO and ICE, 11 Miss Martin is the person who is the point of contact, 12 probably not exclusively, but she's the person who's 13 talking to ICE; is that right? 14 A. That is correct. 15 Q. Okay, anybody else? 16 A. In her absence whoever she designates under 17 her. 18 Q. Where does she work physically? 19 A. At the Boca Raton office. 20 Q. She's here in Florida? 21 A. Yes. 22 Q. Okay, is there anybody regionally who would 23 serve underneath Miss Martin on - on these negotiations 24 with ICE and GEO for whatever the next phase in the 25 contract at Adelanto is?</p>

I don't know the specifics and what they've 8 said to each other, but I just know it hasn't concluded. 9 Q. Do you have any idea what the rough annual 10 revenues to GEO are from the current agreement? 11 A. I do not. 12 Q. Okay, do you know why the City of Adelanto 13 issued its termination notice? 14 A. I do not. 15 Q. Do you have any information as you sit here 16 today about the process that the City of Adelanto used 17 to issue that termination notice? 18 A. I do not. 19 Q. Okay, and I think I know the answer to this, 20 but I'm just going to ask, you, yourself, have not had 21 any discussions with anybody in the City of Adelanto 22 about the termination of the contract; is that right? 23 A. That is correct. 24 Q. Okay. I'm going to hand you an exhibit that's 25 been marked as Exhibit One. Do you have any understanding as you sit here 16 today about who is covered within the collective 17 bargaining agreement and employed by GEO? 18 A. I do not. 19 Q. I</p> <p>23 mean it's a pretty exhaustive list of categories</p> <p>24 that are required to run the facility and provide</p> <p>25 the services that we propose to include, you know,</p>
<p style="text-align: right;">Page 50</p> <p>1 Q. Okay, what does that mean?</p> <p>2 A. Is it fair to say that part of your</p> <p>22 competitive advantage as a government contractor would</p> <p>23 be in figuring out the way to get the lowest cost on</p> <p>24 certain items so that you can have the best bed-day</p> <p>25 rate?</p>

Mr. Venturella, before our break we were</p> <p>10 talking about this request for information from ICE for</p> <p>11 immigration detention beds in California that GEO</p> <p>12 responded to in May. I want to pick up with that</p> <p>13 discussion if I can, okay?</p> <p>14 Was that for adult immigration detention?</p> <p>15 A. Yes.</p> <p>16 Q. Okay, it does not include any family detention</p> <p>17 centers to your knowledge?</p> <p>18 A. It does not.</p> <p>19 Q. Okay, is - as you sit here today do you recall</p> <p>20 approximately the number of beds ICE is looking to fill</p> <p>21 with this contract?</p> <p>22 A. I do not.</p> <p>23 Q. Do you know whether this request for</p> <p>24 information represents an increase in the total capacity</p> <p>25 that ICE would have to detain people in California or</p>	<p style="text-align: right;">Page 64</p> <p>1 a response to this request for information and you've</p> <p>2 said we have two facilities, we have Mesa Verde and we</p> <p>3 have Adelanto, right?</p> <p>4 A. Correct.</p> <p>5 Q. Okay, and those are the two facilities that we</p> <p>6 propose to use to meet the Agency's needs?</p> <p>7 MR. DONOHUE: Object to the form.</p> <p>8 THE WITNESS: GEO proposed those two</p> <p>9 facilities.</p> <p>10 BY MR. FREE:</p> <p>11 Q. In response to the RFI?</p> <p>12 A. In response to the RFI.</p> <p>13 Q. Okay, so approximately three hundred beds at</p> <p>14 Mesa Verde? Do you know?</p> <p>15 A. Four.</p> <p>16 Q. Four hundred.</p> <p>17 Okay, so you're talking a total of</p> <p>18 twenty-three hundred and forty beds, right?</p> <p>19 A. Correct.</p> <p>20 Q. In two different places?</p> <p>21 A. Correct.</p> <p>22 Q. Okay, do you know whether ICE asked for more</p> <p>23 than twenty-three forty in its RFI?</p> <p>24 A. I don't recall the exact number.</p> <p>25 Q. Okay, as part of your preparation of the</p>

<p style="text-align: right;">Page 65</p> <p>1 response to the RFI did you conduct a business analysis</p> <p>2 of how you would pay for the services that you're</p> <p>3 offering to the government?</p> <p>4 MR. I'm just trying to understand.</p> <p>21 I don't understand why a company would bid for</p> <p>22 a contract if they were going to make less on that</p> <p>23 contract than what they're making now. In other words,</p> <p>24 if my revenues as a company were going to go down by</p> <p>25 entering into this new agreement unless I was going to</p>	<p style="text-align: right;">Page 67</p> <p>1 Q. Okay, do you have any idea what the - whether</p> <p>2 GEO has already thought through what the per diem would</p> <p>3 look like?</p> <p>4 A. We have not.</p> <p>5 Q. Okay, and so I guess what I hear you saying,</p> <p>6 and I really appreciate this answer is, you may have to</p> <p>7 take a lower per diem in order to get the contract --</p> <p>8 MR. <p style="text-align: right;">Page 66</p> <p>1 eliminate the existing revenue altogether I probably</p> <p>2 wouldn't bid that agreement. Do you see what I'm</p> <p>3 saying? 6 Q. Okay, so that's the competitor.
7 The location I think you told me was
8 California City? That's the one that you know about,
9 this two thousand bed facility that's currently leased
10 to the State of California?
11 A. Correct.
12 Q. The utility rates would be I think the same

<p style="text-align: right;">Page 82</p> <p>1 model. Again it's just not my area of expertise, so -- 2 Q. All right, as a dumb guy when I think validate 3 the model I would think you figured out what it's going 4 to cost you to buy soap. GEO doesn't make soap, right, 5 so you're going to have to buy it from someone. You 6 figured out what it's going to cost you to buy soap and 7 you want to make sure that that cost is correct and 8 validating the model would be just confirming that that 9 is the actual price that it's going to cost us for soap, 10 you know, as an input into this model. Is that kind of 11 what you're talking about? 12 MR. DONOHUE: Object to the form. 13 THE WITNESS: I wouldn't - I wouldn't argue 14 with that. I mean it's I'm sure one way of 15 validating. I just don't know who does the 16 validation, how they do it, what they compare 17 against. 18 BY MR. FREE: 19 Q. Okay, but someone at GEO does that? 20 A. I'm sure there are many people that do that. 21 Q. Okay, does the Federal Government as part of 22 any of GEO's contracts set a ceiling on the profit 23 margin the company can take? 24 A. Yes. 25 Q. Which contracts?</p>	<p style="text-align: right;">Page 84</p> <p>1 Q. Okay. 2 A. Yes. 3 Q. All right, do you know any facilities as you 4 sit here today where a profit ceiling is included in the 5 contract between GEO and ICE? 6 MR. DONOHUE: Object to the form. 7 THE WITNESS: I'm not aware. 8 BY MR. FREE: 9 Q. Okay. 10 Do you know whether GEO is still serving any 11 debt obligations on its purchase of the Adelanto 12 Detention Facility? 13 A. I do not know. 14 Q. If GEO ends up having to spend more than it 15 thought it was going to spend on any particular item, 16 let's say the collective bargaining agreement, for 17 example, I believe you said they can seek an equitable 18 adjustment? Are you -- Not about this specific 19 question, but there's an equitable adjustment process 20 where you go back to the Federal Government and say it's 21 going to cost us more, can we have more money? Is that 22 basically the way it works? 23 MR. DONOHUE: Object to the form. 24 THE WITNESS: There is a process to request a 25 rate adjustment. I don't know all the</p>

Page 85

1 circumstances that would trigger that, but there is
2 a process.
3 BY MR. FREE:
4 Q. Okay, but unless the government agrees to pay
5 GEO more, GEO is going to receive the per diem rate that
6 was proposed and agreed upon regardless of what GEO
7 actually ends up having to pay to deliver the service?
8 MR. DONOHUE: Object to the form.
9 THE WITNESS: Right. The per diem rate is
10 what we would be paid.
11 BY MR. FREE:
12 Q. Okay, so if costs go up or down to GEO again
13 you eat the up and you keep -- GEO eats the, you know,
14 the increased costs and it keeps the benefit of the
15 lower costs generally; is that right?
16 MR. DONOHUE: Object to the form, asked and
17 answered.
18 THE WITNESS: Correct.
19 BY MR. FREE:
20 Q. Okay, cool.
21 What is a blended per diem rate?
22 A. A blended per diem rate is - it's the - the
23 guaranteed rate plus the incremental per diem, so if the
24 government decides to use the extra capacity the -
25 there's a different per diem rate for that and I believe

Page 86

1 you add the two, divide it and come up with a blended
2 per diem rate.
3 Q. How does GEO determine the difference between
4 what it's going to offer as the per diem, like the
5 guaranteed capacity and then the per diem for whatever
6 in addition that the government decides to use?
7 MR. DONOHUE: Object to the form.
8 THE WITNESS: That's all determined by the
9 costs required to support the - the minimum
10 guaranteed and all the services that we propose and
11 in the same for the incremental, so whatever costs
12 are required to provide those services are factored
13 in.
14 BY MR. FREE:
15 Q. Okay, do you happen to know the blended per
16 diem at Adelanto?
17 A. I do not.
18 Q. Do you know what the minimum bed guaranteed
19 cost is?
20 A. The cost?
21 Q. The per diem, the minimum bed guaranteed per
22 diem rate.
23 A. I do not.
24 Q. Okay, if you would please flip to page 480 on
25 the document in Exhibit One that's in front of you.

6 Q. Is it fair to say that either ICE or GEO could
7 initiate that change in per diem or try to initiate it
8 if you're going to try and agree, so GEO could ask to
9 increase the per diem or ICE could ask to reduce the per
10 diem? Is that fair?
11 MR. DONOHUE: Object to the form.
12 THE WITNESS: I don't think that the premise
13 is correct. I mean there certainly is a process
14 that allows for GEO or a provider to initiate a
15 request for an equitable adjustment and I would
16 assume there's the same for the government to again
17 initiate GEO to submit a proposal for additional
18 services or they could reduce services which could
19 impact the per diem as well.
20 BY MR. FREE:
21 Q. So what part of the premise did you think was
22 incorrect in my question?
23 A. Well, I guess I just didn't completely
24 understand where you're going with it, but there are
25 prescribed processes in the FAR that allow either party

Page 90

1 to initiate. For us it's a request I think on GEO. On
2 the Feds it would be not a request but you shall, but
3 I - again I know there is a process.
4 Q. Yeah?
5 A. Yeah.
6 Q. Just as a layperson it would seem to me that
7 the only other option that GEO would have if the
8 government says we're going to reduce your rate is,
9 well, we don't want to do the contract anymore, right?
10 MR. DONOHUE: Object to the form.
11 BY MR. FREE:
12 Q. You're saying for the government it's not
13 really a request?
14 MR. DONOHUE: Object to the form.
15 THE WITNESS: If the government determines
16 that they don't no longer need specific services
17 then we would have to adjust.
18 BY MR. FREE:
19 Q. Okay, I'm going to hand you what we are
20 marking as Exhibit Ten.
21 (Whereupon, Exhibit 10 was marked)
22 BY MR. FREE:
23 Q. So Exhibit Ten is what I think you were
24 talking about earlier or an example of what I think you
25 were talking about earlier when there's a different

Page 91

1 collective bargaining agreement between GEO and the
2 people who work there that might increase GEO's costs
3 that is then going to need to be reflected in the - the
4 costs to GEO and therefore the bed-day rate. Is that a
5 fair summarization of what's happening in this document?
6 MR. DONOHUE: Object to the form.
7 THE WITNESS: Your question again?
8 BY MR. FREE:
9 Q. Do you recognize this document?
10 A. I don't. It's the first time I've seen it.
11 Q. Okay, do you know generally what this
12 government form, Standard Form 30 is?
13 A. By the title it's an amendment of the
14 solicitation or modification of a contract.
15 Q. Who are the parties?
16 A. ICE and the City of Adelanto.
17 Q. When you see in box two it says amendment
18 modification number P19, do you see that?
19 A. Excuse me. Yes.
20 Q. To me that means there's probably eighteen
21 modifications before that happens. Is that what that
22 means to you?
23 MR. DONOHUE: Object to the form.
24 THE WITNESS: I do not know.
25 BY MR. FREE:

Page 92

1 Q. Okay, it's signed by the mayor on
2 October 28th, 2015. That's box 15C. Do you see that?
3 A. I do.
4 Q. So I understand this to mean that that's -
5 that's when this modification at least was signed by the
6 City of Adelanto? Is that your understanding of it as
7 well?
8 A. That's what it appears to be.
9 Q. Okay, and in box E14 - or excuse me - 14,
10 description of amendment modification, do you see that?
11 A. Yes.
12 Q. The, I guess, third line of text says, "The
13 purpose of this modification is to incorporate the
14 following:" Have I read that right?
15 A. Yes.

Page 93

1 Do you see that?

2 A. Yes.

3 Q. It looks like it was signed on October 28th,

4 2015. When does the Federal fiscal year start? What

5 date?

6 A. October 1st.

7 Q. Okay. All right, so you talked earlier about

8 you remembered there having been a modification based on

9 a collective bargaining agreement change. I'm not

10 representing to you that that is that modification, but

11 is this what you're talking about --

12 MR. DONOHUE: Object to the form.

13 BY MR. FREE:

14 Q. -- when you were thinking about changing the

15 bed-day rate based on this additional cost?

16 A. I mean this is the - the type of activity that

17 would change it.

18 Q. Okay. All right, and so this is GEO because

19 of the collective bargaining agreement and its

20 obligations under that agreement is going to increase

21 the detention - the pay of people in the CBA, right?

22 MR. DONOHUE: Object to the form.

23 THE WITNESS: Correct.

24 BY MR. FREE:

25 Q. Okay, and then the bed-day rate is ICE and GEO

Page 94

1 are agreeing, or ICE and the City of Adelanto, which

2 then GEO has assumed its obligations, are agreeing the

3 bed-day rate is going to increase; is that right?

4 MR. DONOHUE: Object to the form.

5 THE WITNESS: Correct.

6 BY MR. FREE:

17 BY MR. FREE:

18 Q. Okay, this - in box number two it says

21 A. Yes.

22 Q. All right, it looks like it was signed box 16,

23 see all the way on the bottom right on December 12th,

24 2012? Do you see that?

2 MR. DONOHUE: Object to the form.

3 THE WITNESS: I don't know who initiated the

<p style="text-align: right;">Page 113</p> <p>1 BY MR. FREE:</p> <p>2 Q. Why -- I'll ask a different question.</p> <p>3 Why are the - the detention officers higher</p> <p>4 for the second plan?</p> <p>5 MR. DONOHUE: The same objection.</p> <p>6 THE WITNESS: Because you - as you bring on</p> <p>7 more detainees you bring on or activate more pods</p> <p>8 or dorms and so whether you have one detainee or</p> <p>9 five hundred in there you need a certain number of</p> <p>10 officers to staff it, so it's based on the physical</p> <p>11 plant and the number of staff needed to - to manage</p> <p>12 that particular unit. I'm assuming it -- Excuse</p> <p>13 me.</p> <p>14 These are dorm units or beds where they -</p> <p>15 where they sleep and spend most of their days, so</p> <p>16 as you activate those you need officers to staff</p> <p>17 it.</p> <p>18 Like I said, whether it's one or sixty-four in</p> <p>19 there you still need the same number of officers,</p> <p>20 so you can't pull officers from another unit to go</p> <p>21 staff it.</p> <p>22 BY MR. FREE:</p> <p>23 Q. The officers can't do double duty on one unit</p> <p>24 and another is what you're saying, right?</p> <p>25 A. Correct.</p>	<p style="text-align: right;">Page 115</p> <p>1 and provide a - a price to it for them to review and</p> <p>2 accept or negotiate to another - to another amount or</p> <p>3 reject it.</p> <p>4 Q. How does GEO determine the additional level of</p> <p>5 people that you would need based on the additional</p> <p>6 capacity when you're making these proposals to ICE?</p> <p>7 Like what factors does GEO take into consideration?</p> <p>8 MR. DONOHUE: Object to the form.</p> <p>9 THE WITNESS: It depends on the size of the -</p> <p>10 of the unit, it depends on the configuration. It</p> <p>11 would also determine what kind of services, the</p> <p>12 classification of the detainees, et cetera. You</p> <p>13 know, it's a number of factors that we consider in</p> <p>14 determining the appropriate number of staff to</p> <p>15 support a housing unit.</p> <p>16 BY MR. FREE:</p> <p>17 Q. Is that determination as far as you know</p> <p>18 something that varies from contractor to contractor? In</p> <p>19 other words, does GEO make a determination based on its</p> <p>20 experience and present that determination to ICE for an</p> <p>21 agreement that could be different than CoreCivic, for</p> <p>22 example?</p> <p>23 MR. DONOHUE: Object to the form.</p> <p>24 THE WITNESS: I don't know what CoreCivic, how</p> <p>25 they developed their staffing models.</p>
<p style="text-align: right;">Page 114</p> <p>1 Q. Okay, so if you're going to have - you said</p> <p>2 they're - you're going to open different pods? Did I</p> <p>3 understand that right? What did you mean when you said</p> <p>4 pods, the additional pods?</p> <p>5 A. Well, I'm assuming as you increase the</p> <p>6 capacity you're going to have to house detainees in the</p> <p>7 housing units that are now currently idle and when you</p> <p>8 do that you have to add the appropriate number of staff.</p> <p>9 Q. Why?</p> <p>10 A. One, because those are the requirements of the</p> <p>11 contract. You need to provide safety and security and</p> <p>12 all the other services that we proposed to provide to</p> <p>13 ICE that they agreed to.</p> <p>14 Q. By we you're talking about GEO, right?</p> <p>15 A. Correct.</p> <p>16 Q. Okay, and did I understand you to mean that</p> <p>17 when you said the requirements of the contract what do</p> <p>18 you mean?</p> <p>19 A. There are specific requirements that are</p> <p>20 outlined in - in an RFP and any modifications after that</p> <p>21 that say you shall do this or you shall do that and you</p> <p>22 propose to GEO how you're going to implement that, how</p> <p>23 would you manage that, how would you staff that and so</p> <p>24 as a result of those requirements we'll provide whether</p> <p>25 it's additional personnel or other services back to ICE</p>	<p style="text-align: right;">Page 116</p> <p>1 BY MR. FREE:</p> <p>2 Q. You don't?</p> <p>3 A. I don't. No, I don't.</p> <p>4 Q. You couldn't reverse engineer it?</p> <p>5 A. I don't know. I haven't seen their staffing</p> <p>6 plan, so I don't know if I could or could not, but we</p> <p>7 don't have a need to. We - we provide our proposal</p> <p>8 based on like I said a number of factors to include the</p> <p>9 facility layout and that's up to ICE to accept or not.</p> <p>10 MR. DONOHUE: Okay, can we take a break and</p> <p>11 let him clear up his throat?</p> <p>12 BY MR. FREE:</p> <p>13 Q. Do you need a break?</p> <p>14 A. How much longer are we going to go?</p> <p>15 MR. 14 BY MR. FREE:
15 Q. As I compare the detention officer positions
16 listed in each version of these staffing plans and the
17 minimum and the maximum I don't just see pods. I see a
18 pretty granular accounting of where these detention
19 officers would work, and I'll tell you what I mean:
20 There's a - there's a listing, for instance, in rows 110
21 through 113 that encompasses the east side of the
22 facility. Do you see that?
23 A. Yes.
24 Q. And then 114 through 117 it looks like west
25 housing. Do you see that?

Page 119

1 A. Yes.
2 Q. And then 118 through 121 looks like the new
3 west expansion housing. Do you see that?
4 A. Yes.
5 Q. All right, but then -- So those are the pods
6 you're talking about, I think, is that fair?
7 A. Housing units.
8 Q. Yeah.
9 A. Sure.
10 Q. Okay, but then you also have other things.
11 You have the recreation yard -- I'm on page 1838 -- And
12 GEO has the recreation yard in row 122, GEO has a guard
13 or some staffing for the intake and release area in 123.
14 Do you see those things?
15 A. Yes.
16 Q. All right, there's also detention officer
17 positions it looks like in rows 1 - row 130 for food
18 service. Do you see that?
19 A. Yes.
20 Q. All right, and then if we look at page 1848 --
21 A. I'm sorry? Which page?
22 Q. 1841. Excuse me.
23 A. 41.
24 Q. The max staffing plan.
25 The equivalent basic structure you have east

Page 120

1 housing, west housing, U.S. expansion housing, detention
2 officers who are going to be there. Those numbers
3 increased from the minimum guaranteed to the max
4 capacity staffing plans, right?
5 A. Yes.
6 Q. All right, and then you have - similarly you
7 have detention officers who are going to be in food
8 service in the law library and those are listed under
9 the staffing plan as well? Yeah?
10 A. Yes.
11 Q. All right.
12 A. That's what I'm reading.
13 Q. Okay, do you happen to know whether the
14 detention officer positions for, say, food service --
15 Let's take that as an example, okay, so we'll be real
16 specific.
17 Do you know whether those detention officers
18 are actually preparing the food on the one hand or on
19 the other hand whether they're making sure that the
20 people who are working there are secure? Do you know
21 one way or the other?
22 MR. DONOHUE: Object to the form.
23 THE WITNESS: They are not preparing food.
24 They're providing security in the food and dining
25 areas.

Page 121

1 BY MR. FREE:
2 Q. Why does there have to be security in the food
3 and dining areas?
4 A. It's a detention facility and you've got to
5 control movements. You've got to make sure people
6 aren't fighting, you've got to make sure that people are
7 doing what they're supposed to be doing and where
8 they're supposed to be, so there is some level of
9 security and supervision that's required in all areas of
10 the facility.
11 Q. Who would be fighting in the - the food
12 service areas?
13 A. I don't --
14 MR. DONOHUE: Object to form.
15 THE WITNESS: I don't know.
16 BY MR. FREE:
17 Q. Would it be GEO employees?
18 MR. DONOHUE: Object to the form.
19 THE WITNESS: I - I don't know.
20 BY MR. FREE:
21 Q. Okay. Well, let's not beat around the bush.
22 These detention officers are in the food
23 service area because people who are detained there are
24 in the food service area; is that correct?
25 A. There are detainees in - in that area, yes.

Page 122

1 Q. Well, that's not my question. My question --
2 A. I'm sorry. I didn't understand your question.
3 Q. It's okay.
4 My question was the detention officers are in
5 the food service area because that's where detainees are
6 as well; is that right?
7 MR. DONOHUE: Object to the form.
8 THE WITNESS: I guess I'm not understanding
9 your question.
10 BY MR. FREE:
11 Q. Why do you need a detention officer in the
12 food service area was my original question and you said,
13 well, it's a secure facility, you've got to maintain
14 security, you don't want people fighting and I guess
15 what I'm asking and what I'm getting at is it is because
16 there are detainees in the food service area, that a
17 detention officer needs to be incorporated into that
18 staffing plan; is that right?
19 MR. DONOHUE: Object to the form.
20 THE WITNESS: I understand so, yes, there are
21 detainees in that area.
22 BY MR. FREE:
23 Q. Okay, you don't need a detention officer
24 necessarily in GEO's executive offices, you know, in an

23 Q. Twice as many people providing security. Can
24 we agree on that in that area?
25 A. Correct.

Page 126

1 Q. Okay, why do you need double the number of
2 security officers in the food service area, if you know,
3 when you've got - between the two plans?
4 A. I do not.
5 Q. You can - can you think of any reason why you
6 would need to double the number of detention officers in
7 the food service area between one plan or the other?
8 A. No. I can't guess at that. I don't know.
9 Q. Okay, when GEO is constructing this plan I
10 think you explained to me that when there are more
11 people in the facility you may have to have more
12 detention officers because, for instance, GEO has opened
13 a new pod and so there will be more detainees that GEO
14 is responsible for supervising, correct?
15 A. Correct.
16 Q. Okay, does the same logic hold with GEO's
17 staffing plan for the food service area? In other
18 words, there will be more detention officers in the food
19 service area under the second staffing plan because
20 there will be more detained immigrants in the food
21 service area?
22 MR. DONOHUE: Object to the form.
23 THE WITNESS: I - I wouldn't say that the same
24 logic follows that, excuse me, because I - I don't
25 know how that is managed at Adelanto.

Page 127

1 BY MR. FREE:
2 Q. Other than an increased number of detained
3 immigrants in that area of the facility in the food
4 service area of the facility, can you think of anything
5 else that would require GEO to double the number of
6 detention officers there?
7 MR. DONOHUE: Object to the form.
8 THE WITNESS: Scheduling. Scheduling more --
9 Scheduling to accommodate the larger population so
10 they can attend, you know, for breakfast, lunch
11 and - and dinner. That's about the only reason I
12 could think of that.
13 BY MR. FREE:
14 Q. Okay, tell me why scheduling took on to
15 accommodate the larger populations would double the
16 position?
17 A. You would have people coming from another --
18 I'm sorry -- Housing unit into that area, we may have to
19 have the security officers move the other people out to
20 accommodate. Again I'm just - that would be, I think,
21 the only reason, but I'm not the expert in that, so I
22 don't know.
23 Q. Would you concede that it is possible that GEO
24 doubled the number of officers in the food service area
25 because there are more detained immigrants in the food

Page 128

1 service area when the population of the facility
2 increases?
3 A. No.
4 MR. DONOHUE: Object to the form.
5 BY MR. FREE:

7 A. No.

Page 131

1 How - you said that there would be more guards
2 because potentially there would be more people -- You
3 said in essence that one explanation other than the fact
4 that there's more people who were working, more
5 detainees who were working in the food service area an
6 explanation that you offered is that there could be
7 because there are more people, I think, more people
8 going to that area to get food. Do I understand that
9 explanation as you've described it to me?
10 A. What was the first part of your question?
11 Q. Yeah, so the first part of my question is I
12 asked you if the reason you need twice as many detention
13 officers, guards in the food service area if GEO needs
14 twice as many guards in the food service area because
15 there's more - twice as many -- There's more detainees
16 there and I don't think you've said yes to that.
17 A. Right. I said I don't know.
18 Q. Yeah, and I think I asked if it's possible.
19 If I haven't asked, let me just ask you, is it possible
20 that's the reason you need twice - GEO needs twice as
21 many guards?
22 MR. DONOHUE: Object to the form, vague.
23 THE WITNESS: I don't know.
24 BY MR. FREE:
25 Q. Okay, so you don't know whether GEO doubled

Page 132

1 the number of detention officers in the food service
2 area because there would be more detainees there when
3 there's more people in the facility, you don't know the
4 answer to that?
5 MR. DONOHUE: Object to the form, vague, asked
6 and answered.
7 THE WITNESS: Correct. I don't know.
8 BY MR. FREE:
9 Q. Okay, and you have also told me, I believe,
10 that an alternate explanation is that more people will
11 need meals and so they're coming to the food service
12 area and so maybe that's why you need twice as many
13 detention officers? Do I understand the gist of that
14 explanation?
15 MR. DONOHUE: Object to the form, vague, asked
16 and answered, mischaracterizes.
17 THE WITNESS: Again I speculated on what could
18 be a possible cause but I don't know that for a
19 fact.

Who was mopping? 8 A. The detainees. 9 Q. What were the GEO employees doing as you 10 recall? 11 A. Working in the kitchen. 12 Q. Okay, so you do have some idea what the 13 detainees are doing in the food service area? 14 A. I can tell you what I saw. 15 Q. Please do. 16 A. That's what I saw. They were in the - the 17 kitchen area, you say food service area, and they were 18 performing some tasks. 19 Q. Anything other than mopping that you saw them 20 do? 21 A. No. I don't recall any specific activities. 22 Q. Did you tell me that it wasn't during a meal 23 service? 24 A. Right. It wasn't during a meal service. 25 Q. Okay, did you see any GEO guards there?</p>	<p style="text-align: right;">Page 139</p> <p>1 specific but, yeah, it's where they dine, where they 2 have their meals. 3 Q. The same thing though, right? 4 A. The same thing. 5 Q. We're talking about the same -- 6 A. Sure. 7 Q. Okay, did you see any detainees working in the 8 dining hall? 9 A. No. There was no one in the dining hall at 10 the time I was there. 11 Q. So it was empty? 12 A. Yes. 13 Q. Okay. 14 Is there anything else that a food service 15 line item could encompass other than the kitchen and the 16 dining hall? 17 MR. DONOHUE: Object to the form. 18 THE WITNESS: I don't know. 19 BY MR. FREE: 20 Q. Can I just -- I'm just going to put -- I'm 21 going to be really honest with you. I have a hard time 22 understanding how GEO and how you can put together a per 23 diem rate for these facilities without knowing the 24 activities in each area and what the detention officers 25 are doing there. I just don't - I don't understand why</p>
<p style="text-align: right;">Page 138</p> <p>1 A. Yes. 2 Q. What were they doing? 3 A. Supervising, providing security. 4 Q. As you read GEO's staffing plan that it 5 developed and submitted to ICE and that ICE agreed to in 6 this modification and you say the food service area part 7 of the detention officer section I'm talking about row 8 130 on page 1838. Do you see that? 9 A. Yep. 10 Q. What do you understand food service to refer 11 to? 12 A. The kitchen, the cafeteria and I guess the 13 ability to provide meals outside of that area as well. 14 Q. Okay, did you see any cafeterias while you 15 were there in February? 16 A. I'm sorry? 17 Q. Did you see any cafeterias while you were at 18 Adelanto in February? 19 A. There was a dining hall. 20 Q. So the answer to my question is yes? 21 A. Well, if a cafeteria and a dining hall are the 22 same thing then yes. 23 Q. You used the term cafeteria, so I'm just 24 trying to understand what you mean. 25 A. So I'm just being -- Yeah, I'm not being as</p>	<p style="text-align: right;">Page 140</p> <p>1 you don't know that, and I'm not being argumentative. 2 I'm just asking you like it would seem to me that you 3 saw people working in the kitchen, right? 4 A. Yes. 5 Q. You said - you told me you saw people work 6 being in the kitchen? 7 A. I saw people, yes, in there. 8 Q. And so GEO knows that detainees work there? 9 MR. DONOHUE: Object to the form. 10 THE WITNESS: So there are people within GEO 11 who know what the activities are who participate in 12 putting together the staffing plans and develop the 13 cost. I am not one of those individuals, so I'm -- 14 Basically I'm an outside observer watching what 15 happens there, but I don't know how they put it 16 together, I don't know what they're supposed to be 17 doing, when they're supposed to be doing it. It's 18 just not my area of expertise in the company. 19 BY MR. FREE: 20 Q. All right, I think I understand. 21 You're telling me, tell me if I'm right here, 22 that I'm asking you questions about what you don't have 23 personal knowledge? 24 A. Correct, or no responsibility or no 25 participation.</p>

Page 141

1 Q. Okay, can you help me understand who at GEO
2 would know that?
3 A. There are people in Operations that know
4 exactly what - what staffings are required based on
5 facilities, the facility layout, the contract
6 requirements.
7 Q. Who at - who at GEO within the Operations
8 Department would be responsible for knowing that at
9 Adelanto?
10 A. Certainly the Facility Administrator.
11 Q. Was that James Janecka?
12 A. Yes.
13 Q. Okay, anybody else?
14 A. I think all of the - the management team at
15 the facility, the Deputy Facility Administrator and
16 maybe the business manager.
17 Q. What are their names?
18 A. I don't -- I don't know.
19 Q. Do the people that you've just named come up
20 with the staffing plan?
21 MR. DONOHUE: Object to form.
22 THE WITNESS: I don't know their level of
23 participation in it.
24 BY MR. FREE:
25 Q. Who at GEO approves this before giving it to

Page 142

1 ICE, this staffing plan that I'm holding? These are
2 the -- Thirteen.
3 A. That would be the - Senior Vice-President of
4 Operations.
5 Q. Who is that?
6 A. Currently that is David Donahue.
7 Q. All right, I appreciate you clarifying.
8 What I think you've told me is that I'm asking
9 you questions about this staffing plan that you don't
10 have personal knowledge of in your role as Senior
11 Vice-President for Business Development. Did I
12 understand your answers correctly?
13 A. That is correct.

16 [REDACTED]
17 [REDACTED]
18 [REDACTED]
19 [REDACTED]
20 [REDACTED]

23 Q. And is it James Donahue and potentially the
24 Facility Administrator, James Janecka in Operations?
25 Anybody else? Are those two of the people that we

Page 143

1 should talk to?
2 A. They would have, one, the responsibility and,
3 two, the expertise and the knowledge.
4 Q. Anybody else?
5 A. There are a lot of people who probably possess
6 that. I don't -- Again I don't know who participates in
7 that process.
8 Q. All right, but you -- I mean I understand that
9 it would be part of your role to know whether GEO's
10 going to make money off a contract, right?
11 MR. DONOHUE: Objection to form.
12 THE WITNESS: You know, I don't know, so when
13 you qualify an opportunity I look at more of are we
14 able to provide those services then after we
15 qualify that then folks in Operations in other
16 parts of the company determine whether or not
17 it's - it's viable from a financial perspective, so
18 I don't have that financial expertise. My job is
19 simply to qualify and determine whether or not this
20 is an opportunity the company should pursue. After
21 a contract's awarded I have no involvement, no role
22 in the operations or the administration of the
23 contract. I move on to the next business
24 development opportunity, so that's why I can't
25 answer a lot of these questions.

Page 144

1 BY MR. FREE:
2 Q. I appreciate that.
3 I want to make sure I understand some lingo
4 that I think I just heard you use. The verb was qualify
5 and the noun was opportunity. What do you mean by
6 qualify?
7 A. Well, it is -- So you may read something that
8 suggests that there is a need for bed space somewhere
9 whether it's at the Federal, State or local level and so
10 you try to find out whether or not that is a valid
11 opportunity. Somebody may have a need but they don't
12 have the funding, they don't have the ability to procure
13 it and so once we go through all of that and determine,
14 yeah, there may be a need but there's no ability to -
15 to proceed with a procurement then we back off. If
16 there is the ability then we'll find out, okay, well,
17 when do you think it's going to be an opportunity, so
18 that's what I mean by qualify.
19 Q. Okay, and what's an opportunity?
20 A. Again the opportunity to either deliver a
21 facility, build a facility and deliver the services that
22 we provide to our government providers.
23 Q. Okay.
24 Are the Operations people that you've
25 described to me in conjunction with the Chief Financial

Okay, you don't have personal knowledge of 10 like the factors that go into it? 11 A. I do not. 12 Q. Okay, you don't -- And I'm not just talking 13 about once the contract's -- Let me be clear. I'm not 14 just talking about once the contract has been agreed to, 15 once the opportunity's been seized, right? I'm also 16 talking about proposals. Is it the same answer as to 17 proposals? 18 A. Right. It's - pricing is not within my area 19 of responsibility, so I don't know how that is 20 developed. 21 Q. Okay. I understand. 22 MR. FREE: Did we order lunch? 23 MR. DONOHUE: Yes. 24 Lunch? 2 A. No.

3 Q. Prior to speaking with your attorneys did you

4 have any knowledge about this lawsuit, the Novoa case

5 versus GEO and Adelanto?

6 A. Yes.

7 Q. What did you know about this lawsuit before

8 speaking with your attorneys?

9 MR. DONOHUE: And I'm going to -- I assume

10 that you don't want him to divulge anything he

11 learned from any attorney about those lawsuits.

12 In other words, if he learned information from

13 an attorney then -- Well, let me instruct you I

14 don't want you to divulge that information.

15 BY MR. FREE:

16 Q. Please answer the question.

17 A. So all of the information that I received was

18 from our counsel.

19 Q. Who's our?

20 A. The GEO, general counsel.

21 Q. Who's that?

22 A. The particular individual currently is Joseph

23 Negrón.

24 Q. When you say current, does that imply there

25 was somebody before that?

Page 152

1 A. That is correct.

2 Q. Who was that?

3 A. John Bulfin.

4 Q. Okay.

5 A. B-u-l-f-i-n.

6 Q. Okay, and so everything that you know about

7 this lawsuit is based on communications with those two

8 attorneys or their staff, their legal staff; is that

9 right?

10 A. Correct.

11 Q. Okay, none of what you know about this lawsuit

12 is based on any communications with non attorneys at

13 GEO; is that correct?

14 A. Can you repeat that?

15 MR. FREE: Can you read it back, please.

16 (Whereupon, the requested portion of the

18 THE WITNESS: I think that's correct.

1 A. No.

2 Q. Have you ever received communications about

4 A. No.

5 Q. What do you understand to be the Plaintiff's

6 claims without revealing anything that your lawyer's

7 told you to your own understanding to be what's the -

8 the core of the Plaintiff's claim in these cases or in

9 this case?

10 A. My understanding is that the - the Plaintiffs

11 believed that GEO should be paying detainees minimum

12 wage based on the State minimum wage laws.

13 Q. Anything else?

14 A. That we're in violation of the trafficking,

15 Federal trafficking statutes.

16 Q. Anything else?

17 A. And something that I don't understand, unjust

18 enrichment, so whatever that is.

19 Q. Anything else?

20 A. No.

21 Q. Okay, have you received any communications,

22 and I don't care if they're attorneys, but

23 communications from people at ICE outside the presence

24 of your lawyers about this litigation?

25 A. About this litigation, no.

Page 154

1 Q. Okay, have you had any communications with

3 GEO operates at the Adelanto Detention Center?

4 A. Not for the Adelanto Detention Facility, no.

5 Q. Have you had any communications, lawyers or no

Which page?</p> <p>12 Q. 405.</p> <p>13 A. Oh. 405.</p> <p>14 THE VIDEOGRAPHER: Your microphone is</p> <p>15 slipping.</p> <p>16 BY MR. FREE:</p> <p>17 Q. Have you ever seen these Performance-Based</p> <p>18 National Detention Standards before today in any</p> <p>19 version?</p> <p>20 A. Yes.</p> <p>21 Q. Aside from - before we dive into this, aside</p> <p>22 from the voluntary work program standard and the</p> <p>23 segregation standard is there anywhere else in the PBNDS</p> <p>24 you believe would allow a contractor like GEO to</p> <p>25 threaten disciplinary segregation for a detainee's</p>	<p style="text-align: right;">Page 177</p> <p>1 alone by yourself?</p> <p>2 A. No.</p> <p>3 Q. So there can be multiple people in a special</p> <p>4 management unit cell on disciplinary segregation? Is</p> <p>5 that your testimony?</p> <p>6 A. It's my understanding that those types of</p> <p>7 units do allow for more than one individual in a - in a</p> <p>8 unit or a pod.</p> <p>9 Q. Do you have any understanding as to the up -</p> <p>10 the upward bound of that allowance? In other words,</p> <p>11 what's the maximum number that you think you can put</p> <p>12 into a special management unit cell?</p> <p>13 A. I do not.</p> <p>14 Q. In fact, like do you have any understanding of</p> <p>15 in practice how many people are actually in the special</p> <p>16 management unit cells?</p> <p>17 A. I do not.</p> <p>18 Q. Okay. All right, I am not going to go through</p> <p>19 the entire 5.8, okay, point by point. That's the</p> <p>20 Performance-Based National Detention work standard</p> <p>21 governing the voluntary work program.</p> <p>22 A. Okay.</p> <p>23 Q. But you would agree with me that it's called</p> <p>24 the voluntary work program, right?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 176</p> <p>1 refusal to work at an ICE Detention Center?</p> <p>2 A. I don't think there is anywhere in here that</p> <p>3 authorizes anyone to threaten a detainee. There are</p> <p>4 sanctions for refusing work assignments or instructions</p> <p>5 but, no, not threaten.</p> <p>6 Q. Okay, the sanctions that you just spoke of for</p> <p>7 refusing work assignments or instructions include</p> <p>8 disciplinary segregation as far as you understand it?</p> <p>9 A. Some form of segregation. I don't know the</p> <p>10 specifics.</p> <p>11 Q. Okay, and when you say segregation, do you</p> <p>12 mean a special management unit as that term is used in</p> <p>13 the Performance-Based National Detention Standards?</p> <p>14 What are you thinking of when you say segregation?</p> <p>15 A. Removal from the general population.</p> <p>16 Q. To where?</p> <p>17 A. To a unit where others who need that type of</p> <p>18 housing are housed.</p> <p>19 Q. What type of housing?</p> <p>20 A. Either protective custody because they can't</p> <p>21 be in the general population or some other type of</p> <p>22 qualifications that would allow them to be moved into -</p> <p>23 outside of the general population.</p> <p>24 Q. Would you agree that segregation is another</p> <p>25 way of saying being alone by yourself, being in a cell</p>	<p style="text-align: right;">Page 178</p> <p>1 Q. You would agree that under this standard all</p> <p>2 work with the exception, like a few very limited</p> <p>3 exceptions that I'll show you in a minute must be</p> <p>4 voluntary in the voluntary work program, wouldn't you?</p> <p>5 A. Yes.</p> <p>6 Q. Okay, so there is a Section -- I'm sorry.</p> <p>7 Tell me again, you told me before, but I want to make</p> <p>8 sure I understood your answer. Tell me again what you</p> <p>9 think the Performance-Based National Detention Standards</p> <p>10 allow GEO to threaten disciplinary segregation for on</p> <p>11 when a person refuses to work. Like you said a couple</p> <p>12 of things, I think, like not showing up at assignments.</p> <p>13 Can you just tell me so that I understand the behavior</p> <p>14 and can you explain to me what you think the behavior is</p> <p>15 that a detainee worker can do where GEO can put them in</p> <p>16 disciplinary segregation for refusal to work?</p> <p>17 MR. DONOHUE: Object to the form,</p> <p>18 mischaracterizes, compound, vague.</p> <p>19 THE WITNESS: Again I think I stated that</p> <p>20 nowhere in here does it allow anyone to threaten a</p> <p>21 detainee, but there are, I think, examples in here</p> <p>22 of when a detainee can be placed into segregation</p> <p>23 or some form of discipline being rendered in a - in</p> <p>24 a process that describes how - how that is managed</p> <p>25 and - and executed by the contractor.</p>

<p style="text-align: right;">Page 179</p> <p>1 BY MR. FREE:</p> <p>2 Q. In your letter to ICE you said, "To the extent</p> <p>3 that Plaintiffs allege that disciplinary segregation is</p> <p>4 an unlawful threat for refusal to work, this sanction</p> <p>5 comes directly from ICE policies." That's what you said</p> <p>6 in your letter. As you sit here today, do you see</p> <p>7 anything in 5.8 that allows a threat of disciplinary</p> <p>8 segregation by GEO for a detainee's refusal to work?</p> <p>9 MR. DONOHUE: Object to the form.</p> <p>10 THE WITNESS: No. I do not see anything that</p> <p>11 authorize - authorizes anyone to threaten a</p> <p>12 detainee for refusal to work.</p> <p>13 BY MR. FREE:</p> <p>14 Q. The other standard that you mentioned I</p> <p>15 believe was the disciplinary system. Is that a fair</p> <p>16 description of what you told me?</p> <p>17 A. Yes.</p> <p>18 Q. So we're going to look at 3.1 which begins on</p> <p>19 215.</p> <p>20 Are you there with me?</p> <p>21 A. Yes.</p> <p>22 215?</p> <p>23 Q. Yes, sir.</p> <p>24 Excuse me. It begins on 214.</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 181</p> <p>1 A. Yes.</p> <p>2 Q. Section C, personal housekeeping required, is</p> <p>3 that what you were thinking of?</p> <p>4 A. Yes.</p> <p>5 Q. Okay, so it says, "Work assignments are</p> <p>6 voluntary." Do you agree I read that correctly?</p> <p>7 A. Uh-huh. (Affirmative response). Yes.</p> <p>8 Q. "However, all detainees are responsible for</p> <p>9 personal housekeeping." Is - have I read that</p> <p>10 correctly?</p> <p>11 A. Yes.</p> <p>12 Q. All right, and then, "Detainees are required</p> <p>13 to maintain their immediate living areas in a neat and</p> <p>14 orderly manner by: One, making their bunk beds daily;</p> <p>15 two, stacking loose papers; three, keeping the floor</p> <p>16 debris free of debris and dividers free of clutter; and</p> <p>17 four, refraining from hanging/draping clothing,</p> <p>18 pictures, keepsakes or other objects from beds, overhead</p> <p>19 lighting fixtures or other furniture." Have I read that</p> <p>20 correctly?</p> <p>21 A. Yes.</p> <p>22 Q. As you sit here today do you understand any of</p> <p>23 the lawsuits that you've written about to ICE on behalf</p> <p>24 of GEO to include any of these four required personal</p> <p>25 housekeeping tasks?</p>
<p style="text-align: right;">Page 180</p> <p>1 Q. There you go.</p> <p>2 So this is the Performance-Based National</p> <p>3 Detention Standard Section 3.1 disciplinary system and</p> <p>4 the version that's in front of you is the PBNDS 2011</p> <p>5 revised in 2016. Do you see that?</p> <p>6 A. Yes.</p> <p>7 Q. All right, is there any other standard that</p> <p>8 you could have been referring to when you wrote this</p> <p>9 letter, or is this the one you were talking about?</p> <p>10 A. I thought there might have been a section that</p> <p>11 covered housekeeping.</p> <p>12 Q. Okay. Well, let's look back. I'm just</p> <p>13 going --</p> <p>14 A. I'm starting at the second</p> <p>11 sentence, "Novoa, a former detainee at the Adelanto</p> <p>12 Detention Center, alleges that GEO maintains a corporate</p> <p>13 policy and uniform practice of withholding sufficient</p> <p>14 food, water and hygiene products from detainees at</p> <p>15 Adelanto. As a result, detainees are forced to either</p> <p>16 purchase these daily necessities from the facility's</p> <p>17 commissary or go without. Novoa further alleges that by</p> <p>18 maintaining these harsh conditions and purposely</p> <p>19 withholding necessities from detainees, GEO ensures an</p> <p>20 available pool of labor" -- excuse me -- "An available</p> <p>21 labor pool of detainees will work for only one dollar</p> <p>22 per day," and "Finally, Novoa alleges that the VWP is</p> <p>23 not 'voluntary' because detainees that refuse to</p> <p>24 participate in the voluntary work program are placed</p> <p>25 into solitary confinement," so you've also summarized</p>

<p style="text-align: right;">Page 183</p> <p>1 the other lawsuits in your letter to - in GEO's letter</p> <p>2 to ICE, haven't you? And that's at page one and page</p> <p>3 two.</p> <p>4 A. Yes.</p> <p>5 Q. Okay, so we're going to bracket out the State</p> <p>6 of Washington lawsuits on page two because those are</p> <p>7 about minimum wage, right?</p> <p>8 A. Yes.</p> <p>9 Q. All right, so the only other thing we're going</p> <p>10 to be talking about is the State of Colorado lawsuit.</p> <p>11 When you're saying disciplinary segregation</p> <p>12 for refusal to work is an ICE policy, it's really the</p> <p>13 lawsuit you could be talking about, right?</p> <p>14 MR. I don't have those documents in front of me,</p> <p>8 so I --</p> <p>9 Q. Okay.</p> <p>10 A. -- can't answer.</p> <p>11 Q. As you sit here today are you aware -- Now</p> <p>12 that we've looked at the personal housekeeping</p> <p>13 requirement are you aware of any policy that would</p> <p>14 permit GEO, any ICE policy that would permit GEO to use</p> <p>15 disciplinary segregation as a threat for refusing to</p> <p>16 work?</p> <p>17 A. I don't -- Yeah, I don't know.</p> <p>18 Q. Okay.</p> <p>19 Did you know the answer to that question when</p> <p>20 you wrote this letter?</p> <p>21 MR. Do you see that - that sentence or part of</p> <p>11 the sentence?</p> <p>12 A. Yes.</p> <p>13 Q. Have I read it correctly?</p> <p>14 A. Yes.</p> <p>15 Q. <p style="text-align: right;">Page 188</p> <p>1 document that I was referring to when I was writing</p> <p>2 that, but again it was more I believe to</p> <p>3 individuals, detainees refusing orders or</p> <p>4 assignments not necessarily tied to the voluntary</p> <p>5 work program.</p> <p>6 BY MR. DAVID J. VENTURELLA Volume II
NOVOA vs THE GEO GROUP

<p style="text-align: right;">Page 191</p> <p>1 "The suit alleges that GEO's payment of a dollar per day 2 to detainees who work in the voluntary work program as 3 authorized by ICE and mandated by ICE's PBNDS and GEO'S 4 contract violates the minimum wage law" and then they 5 say, "The suit also alleges that detainees are entitled 6 to disgorgement of money under a theory of unjust 7 enrichment for work performed by detainees." Did I read 8 that correctly? 9 A. Yes. 10 Q. Okay, and then -- No. I see it. At the top 11 of that paragraph -- We're not turning the page yet. At 12 the top of that paragraph you say, "Menocal versus The 13 GEO Group, et al, a class action suit by former 14 detainees at the Aurora Colorado ICE Processing Facility 15 has been pending since 2014 and represents the first 16 lawsuit claiming that GEO by having detainees at the 17 Aurora facility perform basic housekeeping chores for no 18 pay under the alleged threat of solitary confinement, 19 has engaged in forced labor in violation of the 20 Trafficking - Trafficking Victims Protection Act." Did I 21 read that correctly? 22 A. Yes. 23 Q. Okay, is - is that allegation as you have 24 summarized it in this letter on behalf of GEO to ICE the 25 allegation that you're referring to on page four that</p>	<p style="text-align: right;">Page 193</p> <p>1 A. Yes. 2 Q. Okay, so in - in this case we went over the 3 allegations on top of page three, "Novoa alleges that 4 the VWP is not voluntary because detainees that refused 5 to participate in the VWP are placed into solitary 6 confinement," I think I understand you to have said that 7 ICE policies would not allow GEO to impose a threat of 8 disciplinary segregation for refusing to participate in 9 the voluntary work program. Did I understand your 10 testimony correctly? 11 MR. DONOHUE: Object to the form. 12 THE WITNESS: Correct. 13 BY MR. FREE: 14 Q. In other words, nothing - ICE is not going to 15 allow GEO - as far as you understand it, ICE's policies 16 would not allow GEO to throw somebody in segregation for 17 refusal to work, correct? 18 A. Under the VWP? 19 Q. Yes, sir. 20 A. Correct. 21 Q. Okay, and ICE's policies would not allow GEO 22 to threaten segregation - threaten imposition of 23 segregation on a detainee, so the first question was 24 about actually imposing segregation. My next - this 25 question is about GEO threatening to impose segregation</p>
<p style="text-align: right;">Page 192</p> <p>1 disciplinary segregation is an unlawful threat for 2 refusal to work? 3 A. Can you ask the question again? 4 Q. I can. 5 A. I'm sorry. I just -- I'm not a lawyer, so 6 it's hard for me to track some of this stuff. 7 Q. I'm just trying to understand what you were 8 thinking when you wrote this, and I know you're not a 9 lawyer, but -- 10 A. Right. 11 Q. -- I'm just reading your words. 12 A. Yeah. 13 Q. Okay? And I just want to make sure that it's 14 clear, and I think you do too, right? 15 A. Yes. 16 Q. Yes. 17 Okay, so, you know, you've said, "To the 18 extent that Plaintiffs allege that disciplinary 19 segregation is an unlawful threat for refusal to work 20 and this sanction comes directly from ICE policies," and 21 you've only in the letter talked about two instances - 22 you know, you've summarized these two cases, right, the 23 Colorado case and this case that involved disciplinary 24 segregation for refusal to work. You following me so 25 far?</p>	<p style="text-align: right;">Page 194</p> <p>1 for refusal to work in the VWP. Do you understand the 2 distinction between the two questions that I'm asking? 3 A. I do. 4 Q. Okay, so this -- You've said, "Novoa alleges 5 that the VWP is not voluntary because detainees that 6 refused to participate in the VWP are placed into 7 solitary confinement," and I think we agree that there 8 is no ICE policy that would allow GEO to impose solitary 9 confinement for refusing to participate in the VWP. Do 10 we agree on that? 11 MR. DONOHUE: Object to the form. 12 THE WITNESS: I would agree that there's no 13 policy that - that would allow the contractor to 14 put someone in a - segregation for refusing to 15 participate in the VWP. 16 BY MR. FREE: 17 Q. Including GEO? 18 A. Including GEO. 19 Q. All right, so then what you're talking about, 20 I think -- I'm sorry. Did you have something to -- I 21 didn't -- 22 A. No. No. No. 23 Q. -- want to interrupt. 24 A. No. I'm was just clearing my throat. 25 Q. Okay, I think what you're talking about then</p>

<p style="text-align: right;">Page 195</p> <p>1 the only other thing you could be talking about is back</p> <p>2 on page one which is having detainees at the Aurora</p> <p>3 facility perform basic housekeeping chores for now pay</p> <p>4 under the alleged threat of solitary confinement?</p> <p>5 A. That would be correct.</p> <p>6 Q. Okay, and so your understanding when you're</p> <p>7 writing this letter is that the Aurora case is about</p> <p>8 detainees refusing to do the four things in the personal</p> <p>9 housekeeping tasks?</p> <p>10 A. Correct.</p> <p>11 Q. Okay, if GEO were doing things outside - if</p> <p>12 GEO were forcing people at Aurora to do anything other</p> <p>13 than these four things, these four enumerated tasks, do</p> <p>14 you understand ICE's policies to permit the threat or</p> <p>15 imposition of solitary - segregation on a detainee by</p> <p>16 GEO?</p> <p>17 MR. DONOHUE: Object to the form.</p> <p>18 THE WITNESS: I don't think ICE would allow us</p> <p>19 to - to make any additional assignments beyond</p> <p>20 those four as it relates to housekeeping.</p> <p>21 BY MR. When you wrote this letter do you know</p> <p>2 if - do you remember if you knew what the potential</p> <p>3 monetary damages GEO could be facing would be in terms</p> <p>4 of an actual number? Had anybody told you that or did</p> <p>5 you know it?</p> <p>6 A. No, I did not.</p> <p>7 Q. Okay, the fifth page it says, "Monetary</p> <p>8 damage - damages in each of the Colorado, Washington and</p> <p>9 California cases could reach several millions of</p> <p>10 dollars." Do you see that?</p> <p>11 A. Yes.</p> <p>12 Q. Have I read it correctly?</p> <p>13 A. You have.</p> <p>14 Q. Turn to page one, please.</p> <p>15 In the first paragraph you wrote on behalf of</p> <p>16 GEO to ICE, "GEO cannot bear the costs of this defense</p> <p>17 on its own." Do you see that?</p> <p>18 A. Yes.</p> <p>19 Q. Why did you write that? What were you basing</p> <p>20 that statement on?</p> <p>21 A. It was based on the amount of expense that we</p> <p>22 incurred and the belief that the government had some</p> <p>23 interest or equities in these cases and that they should</p> <p>24 be part of it.</p> <p>25 Q. Okay, and to be fair to you it's a compound</p>
<p style="text-align: right;">Page 196</p> <p>1 Q. In the next paragraph you say on page four,</p> <p>2 "Likewise, the demand that GEO pay a state mandated</p> <p>3 minimum wage is directly contrary to Federal law in the</p> <p>4 terms of ICE and GEO's contracts." Did I read that</p> <p>5 correctly?</p> <p>6 A. What page are you on?</p> <p>7 Q. On page four, fourth paragraph.</p> <p>8 A. Yes.</p> <p>9 Q. Is the Federal law that you are talking about</p> <p>10 included in this letter?</p> <p>11 MR. DONOHUE: Object to the form.</p> <p>12 THE WITNESS: Yes.</p> <p>13 BY MR. FREE:</p> <p>14 Q. It's the next couple sentences.</p> <p>15 A. Yes.</p> <p>16 Q. Is there any other Federal law that GEO</p> <p>17 contends that you on behalf of GEO were thinking about</p> <p>18 that a state mandated minimum wage would be directly</p> <p>19 contrary to?</p> <p>20 MR. DONOHUE: Object to the form.</p> <p>21 BY MR. FREE:</p> <p>22 Q. Directly contrary to.</p> <p>23 A. No.</p> <p>24 Q. Just this?</p> <p>25 A. Just this.</p>	<p style="text-align: right;">Page 198</p> <p>1 sentence. I've only read you the first clause. It</p> <p>2 says, "GEO cannot bear the cost of this defense on its</p> <p>3 own." I understand that you've said a couple of other</p> <p>4 things, but I just want to focus you on - you kind of</p> <p>5 brought in the Federal Government's interests and things</p> <p>6 like that, but I'm just asking you about the costs of</p> <p>7 defense. You've asked them for a little over two</p> <p>8 million dollars, okay, and then you've projected in the</p> <p>9 final page several millions of dollars each, right?</p> <p>10 A. At which page?</p> <p>11 Q. The final page. Five.</p> <p>12 A. Yes. Yes.</p> <p>13 Q. All right, you don't know -- I think you just</p> <p>14 told me you don't know what those actual costs would be,</p> <p>15 but you've told ICE, GEO has told ICE you can't bear</p> <p>16 those costs on your own, right?</p> <p>17 A. Correct.</p> <p>18 Q. Why not?</p> <p>19 A. Again as this continues every single day more</p> <p>20 and more individuals are added to the class. If there</p> <p>21 were to be an adverse outcome, yeah, that could be</p> <p>22 millions and millions of dollars expense to GEO, so I</p> <p>23 think that's what I was referring to.</p> <p>24 Q. And do you remember agreeing that GEO is going 5 to bear the risk or at least the terms of that contract 6 would indicate that GEO is going to bear the risk of any 7 of that litigation? 8 A. Of litigation, yes. 9 Q. And those costs including expenses and 10 attorney's fees, do you remember that? 11 A. I do remember that. 12 Q. Okay, what are GEO's annual revenues ballpark? 13 A. Annual revenues? 2.5 billion. 14 Q. You've asked ICE for two million dollars, 15 right? 16 A. Correct. 17 Q. What's GEO's annual profit? 18 A. That I don't know. 19 Q. What's GEO's current market capitalization? 20 A. Precisely? 21 Q. Yeah. Ballpark. 22 A. Three billion. 23 Q. Do you know ballpark profits? 24 A. I don't. 25 Q. So you don't have -- Do you have any idea what</p>	<p style="text-align: right;">Page 201</p> <p>1 told that they expect the market for immigration 2 detention to continue and that GEO will stay profitable, 3 right? 4 MR. GEO has disclosed this litigation to its 9 shareholders, but are you aware of any communication of 10 shareholders that says GEO's going to have to cease to 11 function as an entity if the Plaintiffs win? 12 A. I'm not aware of any communication like that. 13 Q. Are you aware of any communication to the 14 shareholders or anyone that says if we have to pay 15 several million dollars to the Plaintiffs in Colorado, 16 Washington and California we cannot bear the costs of 17 the defense and -- 18 A. You're asking if I'm aware of any 19 communication? 20 Q. Yes, sir. 21 A. No. 22 Q. Do you think there has been such? 23 A. I do not know. 24 Q. As a company overall? 6 Q. Yes, sir. 7 A. No. 8 Q. Is GEO currently profitable? 9 A. I would say yes. 10 Q. Has GEO's profit increased since August of 11 2016 until today? 12 A. That I don't know. 13 Q. I'm pegging August of 2016 because that's when 14 the stock got cut. You know what I'm talking about, 15 right? 16 A. Yes. 17 Q. That's the leaked memo and the fifty percent 18 in a day or something that - the market cut that you 19 lost? 20 A. Correct. 21 Q. All right, since then it's been an upward 22 trend, right, in terms of revenues and profitability? 23 A. Yes. 24 Q. When's the last time you sold GEO stock? 3 A. Maybe about fourteen months ago. 4 Q. Like August of 2017, something like that or 5 20 -- I've got it. Never mind. 6 About fourteen months ago you said? 7 A. I think so. 8 Q. How many shares did you sell? 9 A. I don't recall the precise number. 10 Q. Is it like around twenty thousand, twenty-five 11 thousand, something like that? 12 A. I don't remember. 13 Q. Were these restricted -- Do you own shares 14 that are restricted or shares that are -- In other 15 words, could you dispose - could you tomorrow go and 16 just liquidate your GEO stock options? 17 A. I cannot. 18 Q. Okay, do you know ballpark how much you sold? 19 A. I don't. 20 Q. All right, and as an officer you had to clear 21 that, right, through various channels? 22 A. Yes. 23 Q. Do you have any understanding regarding the</p> <p>4 monetary damages on page five that you - that GEO wrote</p> <p>5 to ICE about, you wrote to them on behalf of GEO, do you</p> <p>6 have any understanding as to what those monetary damages</p> <p>7 would be?</p> <p>8 A. No.</p> <p>9 Q. Okay.</p> <p>10 A. No. No. Not in specifics, no.</p> <p>11 Q. A couple of them were minimum wage cases,</p> <p>12 right?</p> <p>13 A. Correct.</p> <p>14 Q. Do you</p> <p>5 see that?</p> <p>6 A. I do.</p> <p>7 Q. Have I read that correctly?</p> <p>8 A. Yes.</p> <p>9 Q. And then it says, "Even more concerning is</p> <p>10 that there is the potential for damages under the TVPA</p> <p>11 reaching as many as sixty thousand detainees at the</p> <p>12 Aurora facility over ten years and claims for the</p> <p>13 disgorgement of unpaid wages to VWP participants</p> <p>14 stemming back multiple years." 10 BY MR. FREE:
11 Q. Have you seen this document before?
12 A. I have not.
13 Q. It appears to be a letter from Chairman and
14 CEO George Zoley of The GEO Group to Pete Edge, Acting
15 Deputy Director of ICE dated May 30th regarding the
16 equitable adjustment request that you sent on
17 February 14th, 2018. Have I accurately characterized
18 what this letter looks like?
19 A. Yes.
20 Q. This is following up on your 20 - your letter
21 of February 14th, right?
22 A. Yes.
23 Q. Okay, were you involved in the April 18th
24 updated individual requests for equitable adjustments
25 out of Adelanto, Aurora and Tacoma that is reflected in

Page 212

1 this letter?
2 A. No.
3 Q. Okay, did you know that those updated
4 individual requests for equitable adjustments had been
5 submitted to ICE on behalf of GEO?
6 A. I was not aware of their submittal, but
7 aware - I was aware that they were being prepared.
8 Q. Okay, and how did you know that?
9 A. With counsel.
10 Q. Okay, have you had any communications with
11 anyone at ICE about this letter? I know you haven't
12 seen it before today, but --
13 A. No.
14 Q. Okay.
15 A. Excuse me.
16 Q. That's all right.
17 And do you know if anybody else at GEO has
18 followed up on this May 30th letter?
19 A. I do not.
20 Q. I'm going to show you Sixteen, Exhibit Sixteen

1 The GEO Group and it's redacted, but I think the
2 Executive VP for Contract Administration here in Boca
3 Raton based on your testimony is Amber Martin; is that
4 correct?
5 A. That is correct.
6 Q. All right, and so this - combining these two
7 letters, you know, you submitted the one on 20 - on
8 February 14th for all of the cases and then on
9 April 18th you submitted individual contract equitable
10 adjustment requests based on Exhibit Fifteen and then
11 this is a response to that individual equitable
12 adjustment request for Adelanto; is that right?
13 MR. DONOHUE: Object to the form.

16 Q. Okay, on page - the second page of this
17 document I'm reading - the last numbers are 4013 or 6060
18 depending on which one you look at.
19 There's a bunch of redactions and then it
20 says, "Based on the above, GEO's REA, request for
21 equitable adjustment is denied in its entirety." Do you
22 see that?
23 A. Yes.
24 Q. Have I read that correctly?
25 A. Yes.

Page 214

1 Q. "As a threshold matter, GEO has failed to show
2 its entitlement to such a modification under the IGSA
3 terms or applicable laws and regulations." Do you see
4 that?
5 A. Yes.
6 Q. All right, "Additionally, GEO has failed to
7 address the reasonableness or provide adequate
8 supporting data for the quantum sought." Do you see
9 that?
10 A. Yes.
11 Q. Did I read that correctly?
12 A. Yes.
13 Q. And then it points GEO to a disputes clause in
14 the intergovernmental services agreement and then a
15 contract disputes act. Do you see that?
16 A. Yes.
17 Q. I believe you testified earlier that you did
18 not know the result of your February 14th or February --
19 What was the date? I'm sorry. Your Valentine's Day
20 letter, right?
21 A. Right.

<p style="text-align: right;">Page 215</p> <p>1 for equitable adjustment has been denied?</p> <p>2 A. I do. Yeah, it's the first time I've seen</p> <p>3 this but, yes, I do.</p> <p>4 Q. All right.</p> <p>5 GEO appears to still be operational, correct?</p> <p>6 A. Correct.</p> <p>7 Q. All right, so at least since Valentine's Day</p> <p>8 2018 up to today, June 13th, 2019 GEO has borne the</p> <p>9 costs of its defense on its own?</p> <p>10 A. We have.</p> <p>11 Q. Okay.</p> <p>12 I think we should clear some brush because I -</p> <p>13 I worry about some of that stuff getting folded into the</p> <p>14 exhibits in front of you, so I'm going to let your</p> <p>15 counsel kind of move the PBNDS out of the way. Yes.</p> <p>16 MR. DONOHUE: Can you take those and just put</p> <p>17 it back into one exhibit.</p> <p>18 BY MR. FREE:</p> <p>19 Q. Oh, I did mean to ask, I know you hadn't seen</p> <p>20 that. Let's just -- I'm sorry. Let's go back to --</p> <p>21 Yes, Exhibit Fifteen. I know you haven't seen that</p> <p>22 letter before that's in front of you, Exhibit Fifteen,</p> <p>23 but were you aware of any - that this had gone out?</p> <p>24 A. I was not.</p> <p>25 Q. Okay, and did you attend or know about any</p>	<p style="text-align: right;">Page 217</p> <p>1 that?</p> <p>2 A. I do.</p> <p>3 Q. Okay, or someone did it on your behalf, right?</p> <p>4 A. Right.</p> <p>5 Q. Okay.</p> <p>6 A. Right.</p> <p>7 Q. At the time in 2015 you're the Senior</p> <p>8 Business - Senior Vice-President of Business Development</p> <p>9 for GEO?</p> <p>10 We're back on this one.</p> <p>11 True?</p> <p>12 A. Yes.</p> <p>13 Q. The declaration was based on your personal</p> <p>14 knowledge in your capacity as the person responsible for</p> <p>15 proposals at GEO and is described herein, true?</p> <p>16 A. True.</p> <p>17 Q. And then you explained that you went to GEO in</p> <p>18 2012 and prior to that you were employed at ICE for</p> <p>19 twenty-two years where you held various positions,</p> <p>20 right?</p> <p>21 A. Correct.</p> <p>22 Q. Did you review this declaration in preparation</p> <p>23 for the deposition?</p> <p>24 A. No.</p> <p>25 Q. All right, when's the last time you saw this</p>
<p style="text-align: right;">Page 216</p> <p>1 meetings regarding the preparation or submission of</p> <p>2 this?</p> <p>3 A. No.</p> <p>4 Q. Okay, is it fair to say that you have not been</p> <p>5 in the loop on subsequent communications about the</p> <p>6 equitable adjustment sought to ICE by GEO for voluntary</p> <p>7 work regarding lawsuits?</p> <p>8 A. That would be fair.</p> <p>9 Q. Okay, Mr. Venturella, I'm going to hand you a</p> <p>10 document we're marking as Exhibit Seventeen.</p> <p>11 (Whereupon, Exhibit 17 was marked)</p> <p>12 BY MR. FREE:</p> <p>13 Q. Have you ever seen this document before?</p> <p>14 A. Yes.</p> <p>15 Q. What is it?</p> <p>16 A. It's a declaration.</p> <p>17 Q. By whom?</p> <p>18 A. By me.</p> <p>19 Q. Okay, if you turn to the last page. It's on</p> <p>20 the back of the package, page ten. What date did you</p> <p>21 sign this letter?</p> <p>22 A. December 22nd, 2015.</p> <p>23 Q. Okay, and you submitted this letter on behalf</p> <p>24 of GEO to the United States District Court from the</p> <p>25 Southern District of New York. Do you remember doing</p>	<p style="text-align: right;">Page 218</p> <p>1 declaration?</p> <p>2 A. Probably December 22nd, 2015.</p> <p>3 Q. Okay, fair enough.</p> <p>4 All right, you say in paragraph three since</p> <p>5 GEO was founded in 1984. Was it called GEO in 1984 do</p> <p>6 you know?</p> <p>7 A. No. It was part of the Wackenhut Group.</p> <p>8 Q. Okay, so when you're referring to GEO's</p> <p>9 founding you're talking about Wackenhut, right?</p> <p>10 A. Correct.</p> <p>11 Q. Probably the Corrections Department of</p> <p>12 Wackenhut, right?</p> <p>13 A. I don't know.</p> <p>14 Q. Okay, that's fine.</p> <p>15 You are not the company historian, I think,</p> <p>16 right?</p> <p>17 A. That is correct.</p> <p>18 Q. Cool.</p> <p>19 At the time you had twelve detention</p> <p>20 facilities of different types for ICE, that's paragraph</p> <p>21 four, right?</p> <p>22 A. Correct.</p> <p>23 Q. And GEO - so GEO had twelve detention</p> <p>24 facilities, not you, David Venturella?</p> <p>25 A. GEO. Correct.</p>

<p style="text-align: right;">Page 219</p> <p>1 Q. Okay.</p> <p>2 If I said you and you've responded probably</p> <p>3 GEO.</p> <p>4 There were seventy-five thousand beds overseen</p> <p>5 by GEO in the United States in sixty-four different</p> <p>6 places, correct?</p> <p>7 A. Correct.</p> <p>8 Q. Turn to page three. Paragraph twelve, pricing</p> <p>9 information staffing plans, do you see that?</p> <p>10 A. Yes.</p> <p>11 Q. You testified under oath, "A bed-day or per</p> <p>12 diem rate is the daily rate paid by the con - by the</p> <p>13 government to a contractor for the comprehensive secure</p> <p>14 residential care of detainees at a CDF." That's a</p> <p>15 contract detention facility, right?</p> <p>16 A. Correct.</p> <p>17 Q. And the bed-day or per diem rates are the</p> <p>18 things we were talking about earlier, right?</p> <p>19 A. Correct.</p> <p>20 Q. And you were saying about that's how you</p> <p>21 established the price in - for a fixed rate contract?</p> <p>22 Yeah?</p> <p>23 A. Correct.</p> <p>24 Q. Okay, so this is the same thing we're talking</p> <p>25 about?</p>	<p style="text-align: right;">Page 221</p> <p>1 Q. Okay, "Representing approximately</p> <p>2 sixty-five percent of the total facility costs." Do you</p> <p>3 see that?</p> <p>4 A. Yes.</p> <p>5 Q. Did I read that correctly?</p> <p>6 A. You did.</p> <p>7 Q. Is that true?</p> <p>8 A. That is true.</p> <p>9 Q. Okay, "The labor costs are calculated based on</p> <p>10 the application of the company's proprietary staffing</p> <p>11 plan to the design and operation of the facility with</p> <p>12 personnel decision" -- Excuse me -- "Personnel positions</p> <p>13 priced in accordance with the minimum wages and benefits</p> <p>14 set forth in the Department of Labor wage determination</p> <p>15 issue for that particular RFP in the geographical area</p> <p>16 that facility will serve." Did I read that correctly?</p> <p>17 A. You did.</p> <p>18 Q. The RFP is a request for proposal?</p> <p>19 A. Yes.</p> <p>20 Q. Okay, you say, "Each company has its own</p> <p>21 proprietary approach to staffing based on its analysis -</p> <p>22 based upon its analysis of the RFP work statement</p> <p>23 requirements, company philosophy and operational</p> <p>24 policies." Is that right?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 220</p> <p>1 A. Correct.</p> <p>2 Q. Okay, "The bed-day rate broadly includes all</p> <p>3 daily operating costs of the facility including</p> <p>4 personnel, food, health care, supplies, utilities,</p> <p>5 maintenance, infrastructure, depreciation, cost of</p> <p>6 capital, overhead and profit," correct?</p> <p>7 A. Correct.</p> <p>8 Q. All right, has any of that changed since 2015</p> <p>9 or is that what the bed-day or per diem rate encompasses</p> <p>10 still?</p> <p>11 A. Broadly, yes.</p> <p>12 Q. Anything that is - it's leaving out?</p> <p>13 A. No. I don't think so.</p> <p>14 Q. Okay.</p> <p>15 A. I think those are broad categories.</p> <p>16 Q. Okay. Okay, when you say broadly, what you're</p> <p>17 saying is these are just kind of high level descriptions</p> <p>18 of what's in the bed-day rate?</p> <p>19 A. Correct.</p> <p>20 Q. Okay, the next sentence says, "Of these costs</p> <p>21 the largest single cost is for personnel." That's still</p> <p>22 at the bottom of three. Do you see that?</p> <p>23 A. Yes.</p> <p>24 Q. Is that true?</p> <p>25 A. Yes.</p>	<p style="text-align: right;">Page 222</p> <p>1 Q. Okay, so when you say each company, you're</p> <p>2 talking about private corporations that are doing</p> <p>3 immigration detention contracts, correct?</p> <p>4 A. Or detention contracts.</p> <p>5 Q. Okay.</p> <p>6 A. Yeah.</p> <p>7 Q. All right, broader than just immigration?</p> <p>8 A. Right.</p> <p>9 Q. Okay, this is industry wide, right?</p> <p>10 A. Correct.</p> <p>11 Q. Okay, then you say, "The bed-day rates and</p> <p>12 staffing plans contained in the contractor's proposal or</p> <p>13 bid are incorporated into the final contract unless they</p> <p>14 are revised as a result of subsequent negotiation with</p> <p>15 ICE." Is that right?</p> <p>16 A. Yes.</p> <p>17 Q. That's what you said and that's what's true,</p> <p>18 right?</p> <p>19 A. Yes.</p> <p>20 Q. And we've seen reflections of that already in</p> <p>21 the documents we've - we've looked at, right?</p> <p>22 A. Yes.</p> <p>23 Q. We saw the initial bed-day rate in the initial</p> <p>24 IGSA of ninety-nine dollars per bed-day at a certain</p> <p>25 level and then something lower at a secondary level</p>

<p style="text-align: right;">Page 223</p> <p>1 after the minimum guarantee, right?</p> <p>2 A. Yes.</p> <p>3 Q. Yeah, and then you get the blended rate going</p> <p>4 forward it moves. We've seen some of the modifications</p> <p>5 that say we're going to increase the bed-day rate based</p> <p>6 on an increased cost that GEO has to bear, right?</p> <p>7 A. Correct.</p> <p>8 Q. Okay, so we looked at the one regarding the</p> <p>9 collective bargaining agreement for guards, right?</p> <p>10 A. Yes.</p> <p>11 Q. We looked at the one regarding medical</p> <p>12 staffing - medical staffing being increased, right?</p> <p>13 A. Yes.</p> <p>14 Q. And so that increased cost increased the</p> <p>15 bed-day rate, correct?</p> <p>16 A. Correct.</p> <p>17 Q. And you've said, you know, labor is</p> <p>18 approximately sixty-five percent of the total costs,</p> <p>19 correct?</p> <p>20 A. Correct.</p> <p>21 Q. Yeah.</p> <p>22 Okay, and I think the next sentence explains</p> <p>23 what we've been looking at. "Over the duration of the</p> <p>24 contract, there are often minor modifications that may</p> <p>25 adjust the bed-day rate and overall contract pricing."</p>	<p style="text-align: right;">Page 225</p> <p>1 Is it fair to say that this facility staffing</p> <p>2 plan reflects the cost of the labor, at least some of</p> <p>3 them as you've described here?</p> <p>4 MR. DONOHUE: Object to the form.</p> <p>5 THE WITNESS: Yes.</p> <p>6 BY MR. FREE:</p> <p>7 Q. Okay, so the facility - "A facility staffing</p> <p>8 plan" -- This is paragraph fourteen -- "Contains every</p> <p>9 position that the contractor intends to employ or retain</p> <p>10 for the operation of the facility and includes the shift</p> <p>11 that position will be required to work, generally</p> <p>12 morning, afternoon or night, relief factor, reflecting</p> <p>13 the number of persons required to fill each position</p> <p>14 taking into account whether the position is a part-time</p> <p>15 or full-time (five or seven day) post and how company -</p> <p>16 many company specific sick days, vacation days, jury</p> <p>17 duty days, et cetera must be taken into account in the</p> <p>18 relief factor calculation for each position, whether the</p> <p>19 position is a fixed or a static post, the hourly or</p> <p>20 annual wage to be paid for each such position and the</p> <p>21 payroll tax and benefit costs for each position." Have</p> <p>22 I read that correctly?</p> <p>23 A. Yes.</p> <p>24 Q. Is that still as true today as it was in 2015?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 224</p> <p>1 Is that right? That's in paragraph thirteen.</p> <p>2 A. Oh, okay.</p> <p>3 Q. Is that right?</p> <p>4 A. Yes.</p> <p>5 Q. Okay, I've read it correctly and that's still</p> <p>6 true?</p> <p>7 A. Yes.</p> <p>8 Q. All right, then you describe a facility</p> <p>9 staffing plan. Do you see in paragraph fourteen?</p> <p>10 A. Yes.</p> <p>11 Q. And you explain that -- Well, first do you</p> <p>12 remember when we were looking at the minimum staffing</p> <p>13 plan of fourteen fifty-five beds and the max staffing</p> <p>14 plan of nineteen-forty beds?</p> <p>15 A. I do.</p> <p>16 Q. Is that a facility staffing plan?</p> <p>17 A. Yes.</p> <p>18 Q. Is that what you're referring to here when you</p> <p>19 say a facility staffing plan?</p> <p>20 MR. DONOHUE: Object to the form.</p> <p>21 BY MR. FREE:</p> <p>22 Q. Or not that specific document, but that's the</p> <p>23 kind of document you're talking about, right?</p> <p>24 A. Yes.</p> <p>25 Q. Okay. Thank you.</p>	<p style="text-align: right;">Page 226</p> <p>1 Q. Okay, "Every one of these calculations and</p> <p>2 considerations can and will affect the overall cost</p> <p>3 calculation associated with a facility's labor costs."</p> <p>4 Did I read that correctly?</p> <p>5 A. Yes.</p> <p>6 Q. Is that true?</p> <p>7 A. Yes.</p> <p>8 Q. Okay, if you have to pay someone to do a job</p> <p>9 and then you for - let's say the prevailing wage change,</p> <p>10 it goes up. That's an example of what you're talking</p> <p>11 about when it says every one of these calculations --</p> <p>12 I'm just giving you an example to make sure I</p> <p>13 understand, that every one of these calculations and</p> <p>14 considerations can and will affect the overall cost</p> <p>15 calculation associated with the facility's labor costs?</p> <p>16 So is that an example of one of the - like one of the</p> <p>17 things that you have to take into consideration in this</p> <p>18 calculation of the labor costs?</p> <p>19 A. The changing --</p> <p>20 Q. Yes, sir.</p> <p>21 A. -- wage, yes.</p> <p>22 Q. Okay, what about if you're required to give an</p> <p>23 employee some type of fringe benefit like an individual,</p> <p>24 like an employer mandate or something for insurance,</p> <p>25 would that affect your labor costs?</p>

<p style="text-align: right;">Page 227</p> <p>1 A. Yes.</p> <p>2 Q. And what about if you were required to give</p> <p>3 some form of paid time off, that would affect your labor</p> <p>4 costs?</p> <p>5 A. Yes.</p> <p>6 Q. And similarly if you had to pay greater</p> <p>7 payroll tax rates because they change, for example, that</p> <p>8 would affect the labor costs?</p> <p>9 A. Yes.</p> <p>10 Q. It says, "In so much as the - inasmuch as the</p> <p>11 labor costs," I'm still at page - excuse me, paragraph</p> <p>12 fourteen. "Inasmuch as the labor costs are such a major</p> <p>13 part of the overall facility pricing, these models are</p> <p>14 highly proprietary and confidential. GEO's proposed</p> <p>15 staffing plans submitted with its bid become part of its</p> <p>16 contract." Do you see where I read that?</p> <p>17 A. I do.</p> <p>18 Q. Did I read it correctly?</p> <p>19 A. Yes.</p> <p>20 Q. Okay, if you could look at paragraph</p> <p>21 twenty-one you've given four examples of competitive</p> <p>22 contracts in the DHS ICE market. Do you see that?</p> <p>23 A. Yes.</p> <p>24 Q. All right, are these four examples facilities</p> <p>25 that -- So the first one is the 2015 contract detention</p>	<p style="text-align: right;">Page 229</p> <p>1 competitive contract. Do you see that?</p> <p>2 A. I do.</p> <p>3 Q. But that wasn't a detention contract?</p> <p>4 A. No, but it was an example of a competitive</p> <p>5 contract.</p> <p>6 Q. Okay. I see.</p> <p>7 The next one is Guantanamo Bay it looks like,</p> <p>8 a migrant operation center in GTMO? Do you see that?</p> <p>9 A. Yes.</p> <p>10 Q. That was in 2011?</p> <p>11 A. Yes.</p> <p>12 Q. Okay, above that in paragraph twenty you</p> <p>13 describe the process of ICE -- I'll just tell you what</p> <p>14 you said. You said, "Based on my information and</p> <p>15 belief, there are four factors that affect ICE CDF -</p> <p>16 that affect competition for ICE CDF contracts." Have I</p> <p>17 read that correctly?</p> <p>18 A. Yes.</p> <p>19 Q. The first one is, "ICE identifies a restricted</p> <p>20 geographic radius typically fifty miles in reasonable</p> <p>21 proximity to the permanent ICE field office or an</p> <p>22 airport that ICE uses for detainee transportation." Did</p> <p>23 I read that correctly?</p> <p>24 A. You did.</p> <p>25 Q. "Such locations and participating airports are</p>
<p style="text-align: right;">Page 228</p> <p>1 facility in the Houston area. Did I read that</p> <p>2 correctly?</p> <p>3 A. Yes.</p> <p>4 Q. You've listed the known competitors as GEO,</p> <p>5 CCA and Emerald?</p> <p>6 A. Correct.</p> <p>7 Q. The second one involves it appears Southern</p> <p>8 Border Transportation. Do you see that?</p> <p>9 A. Yes.</p> <p>10 Q. Is that a detention contract?</p> <p>11 A. No. It's a transportation contract.</p> <p>12 Q. Okay, do you use the same staffing and bed-day</p> <p>13 situation with transportation contracts as you do</p> <p>14 detention?</p> <p>15 A. I'm sorry?</p> <p>16 Q. ICE -- Okay, so when we're talking about</p> <p>17 bed-day rates and per diems --</p> <p>18 A. Right.</p> <p>19 Q. -- I understood all of the staffing plan</p> <p>20 bed-day rate stuff that you said in this declaration to</p> <p>21 pertain to detention centers, right?</p> <p>22 A. Uh-huh. (Affirmative response). Correct.</p> <p>23 Q. So here I see a transportation cost and it</p> <p>24 says the price and staffing plan are determining factors</p> <p>25 in GEO's loss of the Southern Border Transportation</p>	<p style="text-align: right;">Page 230</p> <p>1 relatively static but nonetheless drive the geographic</p> <p>2 requirements for the proposed CDF." Did I read that</p> <p>3 correctly?</p> <p>4 A. Yes.</p> <p>5 Q. I'm going to take a pause.</p> <p>6 Do you remember the RFI that ICE put out that</p> <p>7 we talked about earlier for the State of California?</p> <p>8 A. Yes.</p> <p>9 Q. Is it geographically limited to fifty miles in</p> <p>10 radius from an ICE field office for the airport?</p> <p>11 A. I don't recall.</p> <p>12 Q. Okay. Thank you.</p> <p>13 All right, the second is, "The prescribed ICE</p> <p>14 geographic area the acceptable radius is regulated by</p> <p>15 local county and city ordinances that restrict the</p> <p>16 establishment of such a facility and are subject to</p> <p>17 vocal opposition by neighboring residents." Do you see</p> <p>18 that?</p> <p>19 A. Yes.</p> <p>20 Q. So that's your second of the four factors</p> <p>21 affecting the competition for ICE CDF contracts, right?</p> <p>22 A. Yes.</p> <p>23 Q. When you wrote this or now do you understand</p> <p>24 that there is any contractor that would be more</p> <p>25 susceptible, that would be at a competitive disadvantage</p>

<p style="text-align: right;">Page 231</p> <p>1 because of these local regulations and vocal opposition</p> <p>2 by neighboring residents?</p> <p>3 MR. DONOHUE: Object to the form.</p> <p>4 BY MR. FREE:</p> <p>5 Q. I guess I just don't understand -- Go ahead,</p> <p>6 sir.</p> <p>7 A. No. No. I was going ask --</p> <p>8 Q. Do you understand my question? You look</p> <p>9 confused.</p> <p>10 A. Yeah, I don't.</p> <p>11 Q. I don't know why - I just don't know why</p> <p>12 that - these two things affect - why competitors are</p> <p>13 actually like at a disadvantage as to each other as to</p> <p>14 these two things. Can you explain that?</p> <p>15 MR. DONOHUE: Object to the form.</p> <p>16 THE WITNESS: So your question is why is this</p> <p>17 a consideration?</p> <p>18 BY MR. FREE:</p> <p>19 Q. Yeah. Why is that the four factors that</p> <p>20 affects competition price among CDF contracts among the</p> <p>21 competitors that you've listed, CCA, MTC, CSC and</p> <p>22 Emerald.</p> <p>23 A. If you have to site a new facility depending</p> <p>24 on as I said in there the ordinances or statutes or what</p> <p>25 regulations may not allow for such a facility to be</p>	<p style="text-align: right;">Page 233</p> <p>1 A. -- in which --</p> <p>2 Q. All right, the third factor is, "The cap - the</p> <p>3 third CDFs are capital intensive and typically cost</p> <p>4 several tens of millions of dollars due to ICE's</p> <p>5 objectives in achieving economies of scale pricing</p> <p>6 through larger facilities and the application of the new</p> <p>7 ICE 2011 Performance-Based National Detention</p> <p>8 Standards." Why is that a competitive factor?</p> <p>9 A. The amount of capital that needs to be</p> <p>10 invested could possibly limit some companies from</p> <p>11 participating.</p> <p>12 Q. Okay, and then the fourth, "The typical</p> <p>13 contract term of one base year plus several one year</p> <p>14 options creates a very risky investment thesis for many</p> <p>15 potential competitors." Did I read that correctly?</p> <p>16 A. You did.</p> <p>17 Q. Was that true then?</p> <p>18 A. Yes.</p> <p>19 Q. Is it still true now?</p> <p>20 A. Yes.</p> <p>21 Q. Can you think of any ICE GEO detention</p> <p>22 contract where this risk has actually been realized?</p> <p>23 A. There have been facilities that have been</p> <p>24 discontinued. I just don't recall where and how many.</p> <p>25 Q. Facilities between ICE and GEO?</p>
<p style="text-align: right;">Page 232</p> <p>1 built, I mean that has to be one of the considerations</p> <p>2 of where you would site a facility to qualify for ICE</p> <p>3 consideration or a government agency's consideration.</p> <p>4 You could have a facility that is - meets all</p> <p>5 their standards but it's outside their radius and</p> <p>6 wouldn't qualify. Trying to site one closer in a county</p> <p>7 that is not receptive would impact your ability to bid.</p> <p>8 Q. When you say you, you mean GEO?</p> <p>9 A. GEO or a company's ability to bid.</p> <p>10 Q. I understand what you mean. I mean it, too.</p> <p>11 The - and you're saying that that -- I think</p> <p>12 you're saying here that that could actually affect one</p> <p>13 of these competitors more than the other. If it's one</p> <p>14 of the four factors then GEO could be more at a</p> <p>15 disadvantage based - based on, for instance, vocal</p> <p>16 opposition by neighboring residents than say maybe</p> <p>17 Emerald?</p> <p>18 A. More disadvantage?</p> <p>19 Q. Or less. Maybe they have a better position.</p> <p>20 A. I think it could be either or.</p> <p>21 Q. Okay, so you're saying it's variable as to the</p> <p>22 company based --</p> <p>23 A. Not to the company but I guess to the - to the</p> <p>24 geographic area --</p> <p>25 Q. Okay.</p>	<p style="text-align: right;">Page 234</p> <p>1 A. ICE - ICE and GEO or ICE in the private</p> <p>2 sector?</p> <p>3 Q. I'm asking - asking specifically about ICE and</p> <p>4 GEO's contracts. I'm asking if you know whether there's</p> <p>5 ever been a situation where there's a contract term of</p> <p>6 one base - one base year plus several one year options</p> <p>7 and then ICE did not exercise one or more of those</p> <p>8 options in its contract with GEO, do you know of any</p> <p>9 situation in which that's happened?</p> <p>10 A. Not in my time there, no.</p> <p>11 Q. Okay, what would cause ICE to do that, if you</p> <p>12 know?</p> <p>13 MR. DONOHUE: Object to form.</p> <p>14 THE WITNESS: I don't. I don't know.</p> <p>15 BY MR. FREE:</p> <p>16 Q. Would non-performance or inadequate</p> <p>17 performance be a part of that risk? By the contractor I</p> <p>18 mean.</p> <p>19 MR. <p style="text-align: right;">Page 235</p> <p>1 more of its option years?</p> <p>2 A. It could be a factor.</p> <p>3 Q. Okay, does GEO in its operations take that</p> <p>4 into consideration in computing these contracts, that</p> <p>5 risk?</p> <p>6 A. Yes.</p> <p>7 Q. Okay. I think what we're talking about with</p> <p>8 Adelanto is in paragraph twenty-three, it's on page</p> <p>9 seven. You testified under oath, "ICE also obtains</p> <p>10 detention services under IGSA's awarded to counties and</p> <p>11 cities. ICE selects specific facilities, in some cases</p> <p>12 between competing city or county facilities that are</p> <p>13 geographically close to each other. While the IGSA</p> <p>14 process is not as formal and structured as a competitive</p> <p>15 procurement, the evaluation and award of an IGSA are</p> <p>16 based on similar factors, i.e., detention capacity,</p> <p>17 compliance with National Detention Standards and ICE</p> <p>18 policy and procedures, the level and types of services</p> <p>19 provided and most importantly - most importantly the</p> <p>20 daily per diem rate/cost." Is that - is that true?</p> <p>21 A. Yes.</p> <p>22 Q. Okay, it was true then, it's still true now?</p> <p>23 A. Yes.</p> <p>24 Q. Do those competitive factors -- Excuse me.</p> <p>25 Do the -- Turn back to paragraph twelve,</p>	<p style="text-align: right;">Page 237</p> <p>1 A. Yes.</p> <p>2 Q. Are you aware of any responses to</p> <p>3 competitively bid intergovernmental service agreements</p> <p>4 from ICE that GEO has responded to?</p> <p>5 A. That we have responded to? I don't recall.</p> <p>6 Q. Okay, I will save -- There's one that you list</p> <p>7 in this I think right below that in 2003. You might not</p> <p>8 remember that just right off the bat, but do you see as</p> <p>9 an example in October, 2003 this is in paragraph</p> <p>10 twenty-three at the bottom of page seven. Do you see</p> <p>11 that? So I'm here.</p> <p>12 A. Yeah. No. No. I --</p> <p>13 Q. Yeah. You're just reading the whole sentence?</p> <p>14 A. Yeah.</p> <p>15 Q. Okay, so, "As an example in October, 2003 GEO</p> <p>16 responded to a county RFP --</p> <p>17 A. Right.</p> <p>18 Q. -- to provide management services for the</p> <p>19 Reeves. GEO was selected to manage the Reeves County</p> <p>20 Detention Complex which at the time provided services to</p> <p>21 the BOP, Bureau of Prisons, under an IGSA." Did I read</p> <p>22 that right?</p> <p>23 A. Correct.</p> <p>24 Q. "Similarly in 2007, GEO responded to an RFP to</p> <p>25 provide maintenance and operation -- Similarly in 2007,"</p>
<p style="text-align: right;">Page 236</p> <p>1 pricing information and staffing plans. This is the one</p> <p>2 about the bed-day rate that we read. Do you see that?</p> <p>3 A. Yes.</p> <p>4 Q. Is everything that you've written in paragraph</p> <p>5 twelve regarding the bed-day rate and what's included in</p> <p>6 the cost applicable to intergovernmental service</p> <p>7 agreement contracts --</p> <p>8 MR. DONOHUE: Object to the form.</p> <p>9 BY MR. FREE:</p> <p>10 Q. -- like what you've described in twenty-three?</p> <p>11 A. Yes.</p> <p>12 Q. Okay, so when you say most importantly the</p> <p>13 daily per diem rate/cost I can know what you mean when I</p> <p>14 look at paragraph twelve, right?</p> <p>15 MR. DONOHUE: Object to the form.</p> <p>16 THE WITNESS: Yes.</p> <p>17 BY MR. FREE:</p> <p>18 Q. Thank you.</p> <p>19 And then, "Subcontracts to provide services as</p> <p>20 an operator on behalf of a county or a city under IGSA</p> <p>21 can also be competitively bid." Do you see that?</p> <p>22 A. Yes.</p> <p>23 Q. Did I read that correctly?</p> <p>24 A. Yes.</p> <p>25 Q. All right, is that true?</p>	<p style="text-align: right;">Page 238</p> <p>1 I'm sorry, "GEO responded to an RFP to provide</p> <p>2 maintenance and operation of a facility to house Federal</p> <p>3 prisoners from Montgomery County, Texas." Do you see</p> <p>4 that?</p> <p>5 A. Yes.</p> <p>6 Q. Did I read that correctly?</p> <p>7 A. You did.</p> <p>8 Q. When you say Federal prisoners, I think you're</p> <p>9 distinguishing prisoners in Federal custody, in other</p> <p>10 words, criminally convicted or criminally detained</p> <p>11 prisoners or pretrial detainees from immigration</p> <p>12 detainees. Is that the distinction that you're making</p> <p>13 by saying Federal prisoners?</p> <p>14 A. Yes.</p> <p>15 Q. Okay, you are excluding immigrant detention -</p> <p>16 civil immigration detention from that definition, right?</p> <p>17 A. Correct.</p> <p>18 Q. Okay, immigration detention is civil, not</p> <p>19 criminal, right?</p> <p>20 A. Correct.</p> <p>21 Q. Okay, and ICE has the standards in place to</p> <p>22 recognize that distinction, right?</p> <p>23 A. Correct.</p> <p>24 Q. Okay, and if you're in immigration detention</p> <p>25 you're not there as punishment; correct?</p>

<p style="text-align: right;">Page 239</p> <p>1 A. That is correct.</p> <p>2 Q. And there's - it might not even necessarily be</p> <p>3 because you've - because you are going to be deported?</p> <p>4 In other words, lots of people who are in immigration</p> <p>5 detention end up getting out and winning their cases,</p> <p>6 right?</p> <p>7 A. Yes. That's an outcome.</p> <p>8 Q. So the purpose of the detention -- You know,</p> <p>9 would you agree that the purpose of immigration</p> <p>10 detention, civil immigration detention is to ensure</p> <p>11 that, you know, some people who have been ordered</p> <p>12 removed are going to be present for ICE's execution of</p> <p>13 their removal order, number one, would you agree with</p> <p>14 that?</p> <p>15 A. Yes.</p> <p>16 Q. Okay, and then second that for some people who</p> <p>17 are either ineligible for a bond by statute or who don't</p> <p>18 qualify because the judge says I don't think you're</p> <p>19 going to show up or you're a danger to the community</p> <p>20 that those people are housed as well in secure</p> <p>21 facilities?</p> <p>22 A. That would be correct.</p> <p>23 Q. Yeah, so awaiting your removal proceeding or</p> <p>24 awaiting your deportation is the reason you're in an</p> <p>25 immigration detention center, right, civil immigration</p>	<p style="text-align: right;">Page 241</p> <p>1 Q. Is that true?</p> <p>2 A. Yes.</p> <p>3 Q. Okay, then and now, right?</p> <p>4 A. Yes.</p> <p>5 Q. This - the business hasn't changed since</p> <p>6 you're discussing it in 2015, right?</p> <p>7 A. It is not.</p> <p>8 Q. In terms of this particular element of the</p> <p>9 staffing plan being - that's the labor being the most</p> <p>10 important part of your per diem?</p> <p>11 A. It's --</p> <p>12 MR. DONOHUE: Object to the form.</p> <p>13 Go ahead.</p> <p>14 THE WITNESS: Sorry.</p> <p>15 It's been the same.</p> <p>16 BY MR. FREE:</p> <p>17 Q. Okay, and then you say, "A competitor could</p> <p>18 develop a cost model of the staffing component of GEO's</p> <p>19 bed-day rate as described in paragraph fourteen above,"</p> <p>20 we've been through that and "It could then," the</p> <p>21 competitor, "Could then identify the relative</p> <p>22 percentages of the remaining approximately</p> <p>23 thirty-five percent in direct and indirect costs with a</p> <p>24 percentage breakdown estimate of GEO's food, health</p> <p>25 care, supplies, utilities, maintenance,</p>
<p style="text-align: right;">Page 240</p> <p>1 detention center?</p> <p>2 MR. DONOHUE: Object to the form.</p> <p>3 THE WITNESS: Yes.</p> <p>4 BY MR. FREE:</p> <p>5 Q. Okay. Okay, so I want to look at paragraph</p> <p>6 twenty-four on page eight and I'm looking at the fifth</p> <p>7 line down that begins - it's the first full sentence</p> <p>8 that says, "The bed-day rate broadly includes all daily</p> <p>9 operating costs of the facility, including personnel,</p> <p>10 food, health care, supplies, utilities, maintenance,</p> <p>11 infrastructure, depreciation, cost of capital, overhead</p> <p>12 and profit." Did I read that correctly?</p> <p>13 A. You did.</p> <p>14 Q. Was that true then?</p> <p>15 A. Yes.</p> <p>16 Q. Is it true now?</p> <p>17 A. Yes.</p> <p>18 Q. All right, so a - the next sentence says, "A</p> <p>19 staffing plan is the most important component of a</p> <p>20 contractor's overall pricing model because the costs</p> <p>21 associated with the overall staffing of a facility</p> <p>22 constitute approximately sixty-five percent or more of</p> <p>23 the facility's total operating costs." Did I read that</p> <p>24 correctly?</p> <p>25 A. You did.</p>	<p style="text-align: right;">Page 242</p> <p>1 infrastructure -- Utilities, maintenance,</p> <p>2 infrastructure, depreciation cost of capital, overhead</p> <p>3 profit." Is that true?</p> <p>4 A. Yes.</p> <p>5 Q. That's a competitor sort of</p> <p>6 reverse-engineering what GEO's doing if it had GEO's</p> <p>7 staffing plan, right?</p> <p>8 A. Correct.</p> <p>9 Q. They can take your sixty-five percent labor</p> <p>10 costs and then they can take the other</p> <p>11 thirty-five percent and attempt to figure out what the</p> <p>12 relative percentages are in the direct and indirect</p> <p>13 costs captured in the thirty-five percent food, health</p> <p>14 care, supplies utilities, maintenance, infrastructure</p> <p>15 depreciation, cost of capital, overhead and profit and</p> <p>16 they can try and underbid you, right?</p> <p>17 A. Correct.</p> <p>18 Q. All right, and you can do the same to a</p> <p>19 competitor?</p> <p>20 MR. DONOHUE: Object to the form.</p> <p>21 THE WITNESS: If - if we had access to that</p> <p>22 information.</p> <p>23 BY MR. FREE:</p> <p>24 Q. Yeah, you would need their staffing plan?</p> <p>25 A. Right.</p>

<p style="text-align: right;">Page 243</p> <p>1 Q. So the staffing plan tells you how you could 2 do that? 3 A. In large part it does. 4 Q. I guess. 5 So you could reverse-engineer a bed-day rate, 6 right? 7 MR. DONOHUE: Object to the form. 8 THE WITNESS: You could. 9 BY MR. FREE: 10 Q. Okay, have you, you ever? 11 A. No. 12 Q. Okay, have you done it just as like a thought 13 exercise? 14 A. No. 15 Q. All right, then you say in twenty-seven, 16 paragraph twenty-seven on page nine the second sentence, 17 "GEO's pricing strategy" -- I'm reading part of the 18 sentence. 19 It says, "GEO's pricing strategy, based on a 20 proprietary staffing plan is the same" and I'll read the 21 whole paragraph so you know what we're talking about. 22 "In some procurements, GEO has no competition 23 for CDF solicitations and in other procurements for CDF 24 solicitations it faces competition." Did I read that 25 correctly?</p>	<p style="text-align: right;">Page 245</p> <p>1 A. No. 2 Q. Okay, do you know whether any injury has 3 happened? 4 A. No. 5 Q. Okay. 6 A. Nor was I aware that any staffing plans or 7 bed-day rates were released, so I wasn't aware of that 8 outcome. 9 Q. Okay, in fact, you said in this declaration 10 essentially that if they were released then a competitor 11 could reverse-engineer it and underbid you, right? 12 A. Yes. 13 Q. Has GEO's competitive position suffered 14 vis-a-vis - I think CoreCivic is the only real market 15 competitor with the capital, right? 16 MR. DONOHUE: Object to the form. 17 THE WITNESS: I would say that's accurate. 18 BY MR. FREE: 19 Q. Okay. We're going to look at a document we'll 20 mark as Exhibit Eighteen. 21 (Whereupon, Exhibit 18 was marked) 22 BY MR. FREE: 23 Q. This appears to be a supplement - supplemental 24 declaration by you. Do you see that at the top? 25 A. Yes.</p>
<p style="text-align: right;">Page 244</p> <p>1 A. You did. 2 Q. Is that true? 3 A. That is true. 4 Q. In the California City versus Adelanto RFI it 5 might be a procurement if ICE puts out an RFP that we 6 were talking about earlier today. Do you remember when 7 we were talking about that in the deposition earlier? 8 A. Yes. 9 Q. Okay, so that could be a situation in which 10 GEO does face competition, right? 11 A. Yes. 12 Q. Okay. 13 All right, in twenty-eight it says - actually 14 look at paragraph thirty-five. It's the last page. It 15 says, "Therefore, the ultimate outcome of releasing the 16 ICE records pursuant to the Plaintiff's FOIA request 17 will not only be substantial competitive injury to The 18 GEO Group but to all other detention facilities both 19 public and private." That's what you wrote on 20 December 22nd, 2015; is that right? 21 A. Yes. 22 Q. As you sit here today can you identify any 23 injury that GEO has suffered from the release of the 24 bed-day rates and staffing plans in this FOIA 25 litigation?</p>	<p style="text-align: right;">Page 246</p> <p>1 Q. I'm going to represent to you that it was 2 filed in the same case, the Detention Watch Network and 3 Center For Constitutional Rights versus ICE and DHS. Do 4 you see - do you see that at the very top? 5 A. Yes. 6 Q. Okay, on page nine you signed this 7 declaration? 8 A. I did. 9 Q. Do you see your signature -- 10 A. I do. 11 Q. -- on page nine? 12 A. Yes. 13 Q. You signed it on February 26th, 2016. Do you 14 see that? 15 A. Yes. 16 Q. Have you seen this declaration since you 17 signed it? 18 A. No. 19 Q. Okay, again you explained you're the SVP for 20 Business Development at GEO, it's based on personal 21 knowledge, you're the person responsible for proposals 22 at GEO. 23 Now I'd like to turn your attention to page 24 three. Do you see that?</p> <p>5 A. Yes.</p> <p>6 Q. Did I read that correctly?</p> <p>7 A. You did.</p> <p>8 Q. Is that true?</p> <p>9 A. Yes.</p> <p>10 Q. Okay, you then say in paragraph seven, "Using</p> <p>11 the 'CCA staffing plan," and that's in quotes, "For a</p> <p>12 state contracted Correctional facility, which I</p> <p>13 understand was attached to one of the filings in this</p> <p>14 case (as it was released in response to a State Freedom</p> <p>15 of Information Request) it is possible to specifically</p> <p>16 show how a competitor could use this information to</p> <p>17 reverse-engineer a contractor's proprietary per diem</p> <p>18 rates and cause competitive harm in competing for a CDF</p> <p>19 procurement contract. The same analysis could be done</p> <p>20 using a GEO staffing plan such as one of those attached</p> <p>21 to its contracts with ICE." Do you see that?</p> <p>22 A. Yes.</p> <p>23 Q. And did I read that correctly?</p> <p>24 A. You did.</p> <p>25 Q. Okay, so in the next paragraph, paragraph</p>	<p style="text-align: right;">Page 249</p> <p>1 appropriate taxes." Did I read that correctly?</p> <p>2 A. Yes.</p> <p>3 Q. Is that true?</p> <p>4 A. Yes.</p> <p>5 Q. Is that a complete summary of the non labor</p> <p>6 whether it's exempt or non-exempt nonprofit component</p> <p>7 parts of a per diem rate?</p> <p>8 A. Is it complete? I couldn't say if it was a</p> <p>9 hundred percent complete, but it's --</p> <p>10 Q. Is there anything that you can think of as you</p> <p>11 sit here today that's left out of this list?</p> <p>12 A. Not at this moment.</p> <p>13 Q. Okay, and then the fourth part is profit,</p> <p>14 right?</p> <p>15 A. Yes. That's what it says there.</p> <p>16 Q. So I just want to make sure I understand,</p> <p>17 parts one and two are labor, right? Parts one and two</p> <p>18 you've said contractors proprietary bed-day or per diem</p> <p>19 rate in an amount composed of several elements, elements</p> <p>20 one and two are labor, correct?</p> <p>21 A. Correct.</p> <p>22 Q. Three is basically overhead, your costs,</p> <p>23 correct?</p> <p>24 A. Correct.</p> <p>25 Q. And four is profit, right?</p>
<p style="text-align: right;">Page 248</p> <p>1 eight you say -- Is that true before we go on?</p> <p>2 A. That paragraph?</p> <p>3 Q. Yeah.</p> <p>4 A. Yes.</p> <p>5 Q. Everything is okay. Cool.</p> <p>6 The next paragraph you've listed four parts of</p> <p>7 a proprietary bed-day or per diem rate and they're</p> <p>8 composed of several elements per part. The first part</p> <p>9 is labor - "Labor charges for non-exempt hourly staff</p> <p>10 used to operate the facility." Do you see that?</p> <p>11 A. Yes.</p> <p>12 Q. Is that true?</p> <p>13 A. Yes.</p> <p>14 Q. The second part is, "Labor charges for exempt</p> <p>15 salaried staff in management and supervisory positions."</p> <p>16 Do you see that?</p> <p>17 A. Yes.</p> <p>18 Q. True?</p> <p>19 A. Yes.</p> <p>20 Q. The third part is -- Sorry -- "Medical</p> <p>21 services and supplies, food service, inmate expenses,</p> <p>22 security expenses, utilities (based on local research on</p> <p>23 rates), program expenses, repairs and maintenance,</p> <p>24 leases, insurance, professional fees, personnel</p> <p>25 expenses, travel expenses, administration expenses and</p>	<p style="text-align: right;">Page 250</p> <p>1 A. Correct.</p> <p>2 Q. All right, so labor is sixty-five percent or</p> <p>3 more of the per diem based on your testimony, right?</p> <p>4 A. Yes.</p> <p>5 Q. And then costs and profit are</p> <p>6 thirty-five percent or less, correct?</p> <p>7 A. Correct.</p> <p>8 Q. Okay, of the per diem rate, right?</p> <p>9 "In order to reverse-engineer a contractor's</p> <p>10 proprietary per diem rates, a competitor could first use</p> <p>11 the contractor's staffing plan to break down the</p> <p>12 contractor's proprietary per diem rates into these</p> <p>13 component parts," right?</p> <p>14 A. Yes.</p> <p>15 Q. And so if you working for GEO were trying to</p> <p>16 deliver to the Federal Government, specifically ICE, a</p> <p>17 lower per diem rate than CoreCivic, for example, or</p> <p>18 Emerald or MTC you would benefit from saving money on</p> <p>19 any one of these four component parts? In other words,</p> <p>20 if you lower any one of these four elements of the per</p> <p>21 diem rate then the per diem rate will be - you know, it</p> <p>22 will go down, right?</p> <p>23 MR. <p style="text-align: right;">Page 252</p> <p>1 BY MR. FREE:</p> <p>2 Q. Yes, sir.</p> <p>3 A. Yes.</p> <p>4 Q. So I'm bracketing out like a contractor with</p> <p>5 just a pitiful performance record, you know, maybe their</p> <p>6 facility burned down or something like that. I'm</p> <p>7 bracketing them out, but if everything else is basically</p> <p>8 equal per diem is going to determine whether GEO gets</p> <p>9 the contract over a competitor?</p> <p>10 MR. DONOHUE: Object to the form.</p> <p>11 BY MR. FREE:</p> <p>12 Q. Right?</p> <p>13 A. Yes.</p> <p>14 Q. It's okay.</p> <p>6 The per diem rate's the same, so the weighting</p> <p>7 of it doesn't have anything to do with whether you win</p> <p>8 because we've just discussed that all things being equal</p> <p>9 between the two competitors the per diem rate with the</p> <p>10 lower - the competitor with the lower per diem rate is</p> <p>11 going to win, right?</p> <p>12 A. Correct.</p> <p>13 Q. Okay, let's say you know this one hundred</p> <p>14 dollars is probably going to be the most competitive</p> <p>15 because you've done your due diligence, you've</p> <p>16 reversed-engineered if you can as much as possible what</p> <p>17 these four elements look like for your competitors,</p> <p>18 right? <p style="text-align: right;">Page 255</p> <p>1 Q. You do?</p> <p>2 A. We do an analysis to determine, right.</p> <p>3 Q. Okay, and we as GEO?</p> <p>4 A. We as GEO.</p> <p>5 Q. Okay.</p> <p>6 A. Correct.</p> <p>7 Q. So as between a per diem rate of a hundred</p> <p>8 dollars that has a twelve percent profit and one of a</p> <p>9 hundred dollars that has an eight percent profit GEO</p> <p>10 would want the twelve percent profit, right?</p> <p>11 MR. DONOHUE: Object to the form.</p> <p>12 THE WITNESS: We would -- It's just not as</p> <p>13 simple as that.</p> <p>14 If we're submitting a proposal they also look</p> <p>15 at the - the staffing and whether or not that</p> <p>16 staffing is adequate and if your staffing costs are</p> <p>17 lower because you're reducing the number of staff</p> <p>18 then that could be a factor in the evaluation, so</p> <p>19 while the profit may be more you may have hurt</p> <p>20 yourself by not meeting all of the requirements of</p> <p>21 the RFP.</p> <p>22 BY MR. FREE:</p> <p>23 Q. Is there any limitation on other than - I</p> <p>24 think what you've just described is ICE might not like</p> <p>25 your staffing model and they might decide I'll take a</p>	<p style="text-align: right;">Page 257</p> <p>1 accurate as possible.</p> <p>2 BY MR. FREE:</p> <p>3 Q. Okay. Well, let's do what you did. In</p> <p>4 paragraph twelve, page five you've talked about how you</p> <p>5 would reverse-engineer a per diem for a competitor, "The</p> <p>6 first step is to evaluate the labor portion of the</p> <p>7 incumbent's per diem bed-day rate for non-exempt hourly</p> <p>8 staff," right?</p> <p>9 A. Yes.</p> <p>10 Q. And then you do the second - in paragraph</p> <p>11 thirteen you do the second thing - you do the same</p> <p>12 exercise for each non-exempt position of the plan,</p> <p>13 right?</p> <p>14 A. Correct.</p> <p>15 Q. And then next you look at your own staffing</p> <p>16 plan and expected labor costs and you identify places</p> <p>17 you propose to eliminate, right?</p> <p>18 A. Correct.</p> <p>19 Q. And then in paragraph fifteen you say that in</p> <p>20 order to underbid CCA GEO would propose eliminating 38.8</p> <p>21 full-time equivalent positions, right?</p> <p>22 A. Yes.</p> <p>23 Q. "These reductions reflect GEO confidential and</p> <p>24 proprietary approach to managing such facilities,"</p> <p>25 correct?</p>
<p style="text-align: right;">Page 256</p> <p>1 more expensive per day rate than have this bad staffing</p> <p>2 model. Is that a fair summary of what you've just told</p> <p>3 me?</p> <p>4 MR. DONOHUE: Object to the form.</p> <p>5 THE WITNESS: That is fair.</p> <p>6 BY MR. FREE:</p> <p>7 Q. All right, this company's taking too much</p> <p>8 profit and they're skimping on labor and so we're going</p> <p>9 to go with the other people who are taking less profit</p> <p>10 but they're charging us more, is that the hypothetical</p> <p>11 that you were describing?</p> <p>12 A. I --</p> <p>13 MR. DONOHUE: Object to the form.</p> <p>14 THE WITNESS: I don't know if it's an</p> <p>15 evaluation of the percentage of profit. It's more</p> <p>16 of the evaluation of whether or not that staffing</p> <p>17 plan that was submitted meets the requirements.</p> <p>18 BY MR. FREE:</p> <p>19 Q. Okay, but as a competitive bidder GEO is</p> <p>20 incentivized to have the labor sixty-five percent of</p> <p>21 part of it's bed-day rate that is labor to have that be</p> <p>22 as lean as possible subject to the requirements that ICE</p> <p>23 has put out, right?</p> <p>24 MR. DONOHUE: Object to the form.</p> <p>25 THE WITNESS: I would say not lean but</p>	<p style="text-align: right;">Page 258</p> <p>1 A. Correct.</p> <p>2 Q. All right, and then based on that, the cost</p> <p>3 savings that you're getting from eliminating those</p> <p>4 thirty positions you underbid them by two dollars and</p> <p>5 forty-four cents in paragraph sixteen. It's the last</p> <p>6 page, the last sentence in paragraph sixteen, right?</p> <p>7 A. Yes.</p> <p>8 Q. All right, is it fair to say generally that</p> <p>9 the less you spend on labor the lower the per diem rate</p> <p>10 is going to be?</p> <p>11 MR. DONOHUE: Object to the form.</p> <p>12 THE WITNESS: I think that's fair.</p> <p>13 BY MR. FREE:</p> <p>14 Q. Okay, and is it fair to say that if you can</p> <p>15 weight the elements with those four elements that you've</p> <p>16 identified within the per diem so that you have - GEO</p> <p>17 has the labor costs as low as possible, the element --</p> <p>18 So that's elements one and two -- The operations costs</p> <p>19 as low as possible, that's element three, you would want</p> <p>20 element four, the profit to be as high as possible? Is</p> <p>21 that a fair description of the way GEO would put</p> <p>22 together the per day rate?</p> <p>23 MR. <p style="text-align: right;">Page 259</p> <p>1 BY MR. FREE:</p> <p>2 Q. Right, but apart from that what I've said is</p> <p>3 accurate?</p> <p>4 MR. DONOHUE: Object to the form.</p> <p>5 THE WITNESS: I believe so.</p> <p>6 BY MR. FREE:</p> <p>7 Q. Okay. Thank you.</p> <p>8 And I think what I've said is reflected in</p> <p>9 paragraph nineteen where you say on behalf of GEO on</p> <p>10 page seven it says, "The next step involves estimating</p> <p>11 non-labor expenses including medical services and</p> <p>12 supplies, food service, inmate expenses" and so forth.</p> <p>13 Do you see where you said that?</p> <p>14 A. In paragraph nineteen?</p> <p>15 Q. Uh-huh.</p> <p>16 A. Yes.</p> <p>17 Q. You say, "These costs are generally the same</p> <p>18 for all CDF market competitors and are based on market</p> <p>19 rates." It's the second to last sentence.</p> <p>20 A. If we're competing for the same area?</p> <p>21 Q. Uh-huh.</p> <p>22 A. Yes.</p> <p>23 Q. And I want to be really clear we're talking</p> <p>24 about ICE detention facilities. I know that there's</p> <p>25 some overlap in this declaration. For instance, you're</p>	<p style="text-align: right;">Page 261</p> <p>1 Q. Attempts to identify a competitor's profit</p> <p>2 based on its research as to elements one - one through</p> <p>3 three so that you can then deliver a lower per day rate,</p> <p>4 GEO can develop a lower per day rate in response to a</p> <p>5 proposal?</p> <p>6 A. No. That answer is no.</p> <p>7 Q. Okay.</p> <p>8 A. We don't focus on what the competitor's profit</p> <p>9 is.</p> <p>10 Q. What do you focus on?</p> <p>11 A. Mostly on what we think the per diem rate is -</p> <p>12 is going to be. Again I mean depending on the</p> <p>13 procurement and the location, the type of facility, how</p> <p>14 it's laid out, et cetera could all drive, you know,</p> <p>15 factors into - into the per diem, so you look at a</p> <p>16 facility that's thirty years old versus a facility</p> <p>17 that's five years old. The thirty year facility's going</p> <p>18 to be more labor intensive than the five year facility -</p> <p>19 five year old facility so, I mean those are the types of</p> <p>20 factors we - we research and analyze to determine where</p> <p>21 we think they're going to come out on a per diem.</p> <p>22 Q. And by we you mean GEO?</p> <p>23 A. GEO.</p> <p>24 I'm sorry.</p> <p>25 Q. It's okay. I'm doing it, too.</p>
<p style="text-align: right;">Page 260</p> <p>1 using a CCA State Prison contract to reverse-engineer</p> <p>2 the per diem, but my question is about costs being</p> <p>3 generally the same for all CDF market competitors and</p> <p>4 based on market rates.</p> <p>5 A. Yes.</p> <p>6 Q. Okay, paragraph twenty, "A CDF market</p> <p>7 competitor can roughly identify the profit included in a</p> <p>8 per diem rate from another competitor by adding together</p> <p>9 the, one, labor charges for non-exempt hourly staff used</p> <p>10 to operate the facility based on the staffing plan and</p> <p>11 wage determination, two, estimated labor charges for</p> <p>12 exempt, salaried staff in management and supervisory</p> <p>13 positions and, three, estimated non labor charges." Do</p> <p>14 you see that?</p> <p>15 A. Yes.</p> <p>16 Q. So you're basically saying you can figure out</p> <p>17 their profits if you can figure out elements one through</p> <p>18 three, right?</p> <p>19 A. You can, yeah. You can get --</p> <p>20 Q. Okay.</p> <p>21 A. -- pretty close.</p> <p>22 Q. Okay.</p> <p>23 In fact, GEO does that as a business practice,</p> <p>24 correct?</p> <p>25 A. Does what?</p>	<p style="text-align: right;">Page 262</p> <p>1 A. Yeah, that's fine.</p> <p>2 Q. GEO proposes and ICE approves a per diem rate,</p> <p>3 correct?</p> <p>4 A. Yes.</p> <p>5 Q. The per diem rates in the Adelanto contract</p> <p>6 are the results of GEO's application of the four factors</p> <p>7 that you've laid out, correct?</p> <p>8 MR. DONOHUE: Object to the form.</p> <p>9 THE WITNESS: Yes.</p> <p>10 BY MR. FREE:</p> <p>11 Q. There's no other factor other than labor costs</p> <p>12 in - in your per diem rate, correct, at Adelanto?</p> <p>13 A. Say that again. I'm sorry.</p> <p>14 Q. In your per diem rate in the Adelanto contract</p> <p>15 there's no other factor other than labor costs and</p> <p>16 profit, pieces one - elements one and two, element three</p> <p>17 and element four?</p> <p>18 A. All four elements?</p> <p>19 Q. Uh-huh.</p> <p>20 A. Yes.</p> <p>21 Q. All right, so if you can reduce labor you can</p> <p>22 theoretically increase profit if you're GEO?</p> <p>23 MR. DONOHUE: Object to the form.</p> <p>24 THE WITNESS: In the case of Adelanto?</p> <p>25 BY MR. FREE:</p>

<p style="text-align: right;">Page 263</p> <p>1 Q. Just generally.</p> <p>2 A. I mean I think that's hard -- Well, I would</p> <p>3 say no, you can't. If you've submitted a proposal and</p> <p>4 it was accepted then, no, you can't.</p> <p>5 Q. I understand what --</p> <p>6 A. Oh.</p> <p>7 Q. I think I understand what you're saying is</p> <p>8 once you - once you've agreed to the contract with</p> <p>9 ICE --</p> <p>10 A. ICE, yeah.</p> <p>11 Q. -- you don't get to change from an example</p> <p>12 staffing plan that we've looked at --</p> <p>13 A. Right.</p> <p>14 Q. -- that says you're going to do</p> <p>15 twenty-seven --</p> <p>16 A. Yeah.</p> <p>17 Q. -- kitchen positions. You don't get to do</p> <p>18 twenty-five and keep the rest, right?</p> <p>19 A. Correct.</p> <p>20 Q. Okay, but if you can minimize the costs that</p> <p>21 you're spending on that if you're GEO in the initial</p> <p>22 term, right, if you can - if you can figure out that we</p> <p>23 only need twenty-seven and ICE will accept that they</p> <p>24 will enter into this contract as opposed to thirty then</p> <p>25 GEO can do the same thing that you described doing to</p>	<p style="text-align: right;">Page 265</p> <p>1 MR. DONOHUE: Object to the form.</p> <p>2 THE WITNESS: It is looking at it and it's</p> <p>3 comparing it to its estimates --</p> <p>4 BY MR. FREE:</p> <p>5 Q. Okay.</p> <p>6 A. -- and I don't know what those are.</p> <p>7 Q. And sure.</p> <p>8 And maybe the contract officer knows kind of</p> <p>9 what it's going to take to do nineteen hundred and forty</p> <p>10 beds from other contracts or from talking within ICE to</p> <p>11 what that looks like and so they can tell whether a</p> <p>12 contractor is, you know, shorting on staff, but my basic</p> <p>13 question and I think that you've agreed is GEO presents</p> <p>14 the staffing plan to ICE, ICE doesn't say you're going</p> <p>15 to do twenty-seven people in the kitchen and build your</p> <p>16 model after that? It's initiated by GEO correct?</p> <p>17 MR. DONOHUE: Object to the form.</p> <p>18 THE WITNESS: So we initiate it and - but ICE</p> <p>19 does have the opportunity to come back and say you</p> <p>20 need to change it.</p> <p>21 BY MR. FREE:</p> <p>22 Q. Yeah, they can negotiate it --</p> <p>23 A. Sure.</p> <p>24 Q. -- with you?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 264</p> <p>1 CoreCivic in that reverse-engineer. You can maximize</p> <p>2 profit based on the lowering of the labor costs, right?</p> <p>3 A. Maximize profit?</p> <p>4 Q. You can - you know --</p> <p>5 A. That would bring about a lower per diem rate</p> <p>6 if we were to reduce the staffing or the costs for the</p> <p>7 staffing, so we would have to reduce the per diem rate.</p> <p>8 You couldn't keep it the same and maximize your profit.</p> <p>9 I mean there would be an expectation that if you're</p> <p>10 providing less staff than what they think should be</p> <p>11 there should be a lower per diem.</p> <p>12 Q. Does ICE give GEO model staffing plans in the</p> <p>13 procurement process?</p> <p>14 A. They do not.</p> <p>15 Q. Does ICE set staffing ratios for GEO to abide</p> <p>16 by in the procurement process?</p> <p>17 A. If they do it's - it's not provided to us.</p> <p>18 Q. I understood your testimony earlier today to</p> <p>19 be that GEO would propose to ICE the staffing plan based</p> <p>20 on its proprietary confidential formula, its company</p> <p>21 philosophy and values. Did I understand that correctly?</p> <p>22 A. Correct.</p> <p>23 Q. Okay, and so ICE is functionally looking at</p> <p>24 what GEO has proposed when it's looking at the staffing</p> <p>25 plan, correct?</p>	<p style="text-align: right;">Page 266</p> <p>1 Q. And if - if you have a contract and you agree</p> <p>2 then you've agreed, right?</p> <p>3 A. Yes.</p> <p>4 Q. Okay, and then the bed-day rate reflects the</p> <p>5 agreement on staffing which is labor really which is</p> <p>6 sixty-five percent of the average, you know, on the</p> <p>7 normal per day rate based on your testimony, right?</p> <p>8 MR. DONOHUE: Object to the form.</p> <p>9 THE WITNESS: It reflects all the costs, not</p> <p>10 just the labor.</p> <p>11 BY MR. FREE:</p> <p>12 Q. All right, now once you've got the contract --</p> <p>13 Let's take Adelanto specifically. Adelanto is a fixed</p> <p>14 price agreement, right?</p> <p>15 A. Yes.</p> <p>16 Q. Which means unless there's a modification or</p> <p>17 an equitable adjustment GEO is stuck with the per diem</p> <p>18 rate that GEO and ICE agreed to, correct?</p> <p>19 A. Yes.</p> <p>20 Q. Okay, and you said earlier, you know, you can</p> <p>21 get the windfall of savings and you can bear the cost of</p> <p>22 benefits. The substance of your testimony earlier is I</p> <p>23 think in a fixed price contract if you have a cost</p> <p>24 overrun, the contractor, that's on you?</p> <p>25 A. Correct.</p>

<p style="text-align: right;">Page 267</p> <p>1 Q. You can come back and say we need more money</p> <p>2 or if ICE is forcing you to overrun your costs then you</p> <p>3 can ask them for more money but, you know, the price of</p> <p>4 milk goes up or if GEO does business with a - let's take</p> <p>5 out the price of milk. All right.</p> <p>10 Are you okay?</p> <p>11 A. Yeah. No, I was probably hitting the mic, so</p> <p>12 I apologize.</p> <p>13 Q. We're going to hand you a document being</p> <p>14 marked as Exhibit Nineteen.</p> <p>15 (Whereupon, Exhibit 19 was marked)</p> <p>16 BY MR. FREE:</p> <p>17 Q. I do not.</p> <p>22 Q. Do you know what under seal means?</p> <p>23 A. Yes.</p> <p>24 Q. Yes.</p> <p>4 Q. All right, if you'll flip over to page four of</p> <p>5 seven in paragraph nine the discussion we were having</p> <p>6 earlier about how GEO puts the staffing plan together</p> <p>7 and then ICE looks at it, sees if it's reasonable, maybe</p> <p>8 you negotiate and then the per diem rate is a reflection</p> <p>9 of an agreement on what that staffing plan is. Do you</p> <p>10 recall that discussion?</p> <p>11 A. Yes.</p> <p>12 Q. All right, so you say, "Solicitations by ICE</p> <p>13 and other agencies for contract detention services</p> <p>14 typically require bidders to submit a comprehensive" and</p> <p>15 it's capitalized, "Technical Response" and then it says,</p> <p>16 (To include operational procedures and policies,</p> <p>17 detailed staffing plan, facility design plans and</p> <p>18 physical plant descriptions) detailed pricing cost</p> <p>19 information and past performance information." Did I</p> <p>20 read that correctly?</p> <p>21 A. Yes.</p> <p>22 Q. Is that as true now as it was when you signed</p> <p>23 this on December 1st, 2017?</p> <p>24 A. It is.</p> <p>25 Q. "When all other factors are more or less</p>

Is that true?</p> <p>3 A. Yes.</p> <p>4 Q. Okay, it's true that you wrote that and it's</p> <p>5 true that that, in fact, is what the government does?</p> <p>6 A. Yes.</p> <p>7 Q. All right, "The winning proposal in almost</p> <p>8 every Federal procurement competition in the detention</p> <p>9 or prison contracting area is awarded to the lowest</p> <p>10 bidder unless the bidder has an unsatisfactory</p> <p>11 performance record." Did I read that correctly?</p> <p>12 A. You did.</p> <p>13 Q. Is that true?</p> <p>14 A. I believe it is.</p> <p>15 Q. Well, you wrote it.</p> <p>16 A. Yeah. I - listen, I don't know all the</p> <p>17 procurements that have gone on, but it's as far as I</p> <p>18 know, yes, that's true.</p> <p>19 Q. Okay, you once again describe the - in</p> <p>20 paragraph ten, "The proprietary approach to staffing and</p> <p>21 pricing plans based on the contractor's analysis of the</p> <p>22 request for proposal work statement requirements</p> <p>23 published by ICE or another soliciting agency along with</p> <p>24 company philosophy and operational policies." <p style="text-align: right;">Page 271</p> <p>1 A. You did.</p> <p>2 Q. What's GEO's company philosophy?</p> <p>3 A. Our philosophy?</p> <p>4 Q. Uh-huh.</p> <p>5 A. Treat people humanely. I'm trying to remember</p> <p>6 the - the statement, but it's basically treating people</p> <p>7 humanely, open and honest communications, delivering</p> <p>8 quality services, et cetera. Something like that, to</p> <p>9 that effect.</p> <p>10 Q. Is that written down somewhere?</p> <p>11 A. It is written down.</p> <p>12 Q. Where would I find it?</p> <p>13 A. On the wall next to my office.</p> <p>14 Q. All right.</p> <p>15 A. It could be on the website. I don't know.</p> <p>16 Q. But that's a public document?</p> <p>17 A. I wouldn't say it's a public document, but if</p> <p>18 it's on our website I guess it is.</p> <p>19 Q. Okay.</p> <p>20 A. Yeah.</p> <p>21 Q. And you take these into consideration in</p> <p>22 responding to the RFPs?</p> <p>23 A. Yes.</p> <p>24 Q. What are the operational policies?</p> <p>25 A. What are? Okay, and we is GEO?</p> <p>18 A. We as GEO.</p> <p>19 Q. And that's all GEO's immigration and detention</p> <p>20 centers or just Adelanto as far as you know?</p> <p>21 A. I believe that applies to all of our</p> <p>22 facilities.</p> <p>23 Q. Do you know whether GEO uses one commissary</p> <p>24 vendor or more than one?</p> <p>25 A. I believe more than one.</p>

Do you see that?</p> <p>8 A. I do.</p> <p>9 Q. Is that true?</p> <p>10 A. I do not know.</p> <p>11 Q. Okay, what commission would be taken by GEO?</p> <p>12 A. I don't know.</p> <p>13 Q. Why wouldn't the entirety of a sale to the</p> <p>14 third-party vendor at a GEO facility, Adelanto, for</p> <p>15 instance, where the detainee buys something, there's a</p> <p>16 sale, why wouldn't the entirety of that go to a</p> <p>17 third-party vendor?</p> <p>18 MR. Exhibit Twenty is a printout from Aurora's</p> <p>3 report by Michelle Conlin and Kristina Cooke that was</p> <p>4 dated January 18th, 2019. Exhibit Twenty-one is I</p> <p>5 believe a January 18th, 2019 statement published on</p> <p>6 GEO's website. The reason I'm saying that is at the</p> <p>7 bottom left-hand corner it's the - the link is</p> <p>8 wearegeo.com. That's GEO's website, right? I'm</p> <p>9 pointing to --</p> <p>10 A. Yes.</p> <p>11 Q. -- the first page of Exhibit Twenty-one. Do</p> <p>12 you see that?</p> <p>13 A. I do. I see it.</p> <p>14 Q. Okay, so I'm going to represent to you that I</p> <p>15 think that this is GEO's statement, this, Exhibit</p> <p>16 Twenty-one is GEO's statement "correcting the record"</p> <p>17 about the Reuters piece that is Exhibit Twenty.</p> <p>18 A. Okay.</p> <p>19 Q. Do you follow?</p> <p>20 A. Yeah, I follow it now.</p> <p>21 Q. Okay, if you'll turn on Exhibit Twenty-one,</p> <p>22 the GEO statement --</p> <p>23 A. Okay.</p> <p>24 Q. -- to the second page.</p> <p>25 GEO has echoed what you've said today in the</p>	<p style="text-align: right;">Page 278</p> <p>1 A. No.</p> <p>2 Q. Okay, this does not appear in elements one,</p> <p>3 two, three or four of your bed-day rate formulation,</p> <p>4 right?</p> <p>5 A. That's correct.</p> <p>6 Q. Okay, what would be the need for recreational</p> <p>7 equipment for detainees from the welfare fund?</p> <p>8 A. I don't know.</p> <p>9 MR. It looks like GEO is saying we don't profit</p> <p>14 from commissary, we take a minimal commission, we then</p> <p>15 put that commission almost entirely into a welfare fund</p> <p>16 and then we use that to buy recreational equipment for</p> <p>17 detainees, right?</p> <p>18 A. That's what it says, yeah.</p> <p>19 Q. Okay, so the almost minimal and the small</p> <p>20 portion is the stuff that I don't understand. Can you</p> <p>21 help me understand that.</p> <p>22 A. Unfortunately I cannot. I don't - I don't</p> <p>23 know what that is.</p> <p>24 Q. Okay, you don't know what a small portion</p> <p>25 constitutes?</p>

<p style="text-align: right;">Page 279</p> <p>1 Okay.</p> <p>2 A. I do not.</p> <p>3 Q. All right, and this is - this welfare fund,</p> <p>4 this commission to GEO which is not entirely put into</p> <p>5 the welfare fund does not appear in your cost</p> <p>6 calculations that result in your bed-day rate approved</p> <p>7 by ICE?</p> <p>8 A. No. Not to my knowledge.</p> <p>9 Q. Okay, so GEO is -- Because GEO is not putting</p> <p>10 all of the commissary commission that it gets from the</p> <p>11 third-party vendor into the welfare fund GEO has some</p> <p>12 money and then I think it says with a small portion used</p> <p>13 to cover costs only, so my question is what are the</p> <p>14 costs?</p> <p>15 A. I don't know.</p> <p>16 MR. DONOHUE: Object to the form.</p> <p>17 THE WITNESS: I don't know.</p> <p>18 BY MR. FREE:</p> <p>19 Q. GEO does that?</p> <p>10 That's at the top of the paragraph.</p> <p>11 A. Right. We provide products to the detainees.</p> <p>12 Q. All right, so I'll ask my question again.</p> <p>13 If you had a choice between a brand name</p> <p>14 product and a generic product and you're a procurement</p> <p>15 person for GEO and the generic is cheaper you're going</p> <p>16 to buy the generic, right?</p> <p>17 MR. <p style="text-align: right;">Page 280</p> <p>1 Who would know the answer to these questions</p> <p>2 that I've asked you, if you know?</p> <p>3 A. I don't.</p> <p>4 Q. Where would Pablo get the information that's</p> <p>10 contained in the statement, if you know?</p> <p>11 A. I believe from the Operations unit.</p> <p>12 Q. Okay, in the paragraph above it says</p> <p>13 main brand -- Excuse me, brand -- It says, "Furthermore,</p> <p>14 brand name products are available for purchase at the</p> <p>15 center's commissary and include the option to purchase</p> <p>16 toothpaste for one dollar and fifty cents in addition to</p> <p>17 the free toothpaste that is provided on demand." Do you</p> <p>18 see that?</p> <p>19 A. I do.</p> <p>20 Q. I think I know the answer to this, but do you</p> <p>21 know whether that's true?</p> <p>22 A. I don't.</p> <p>23 Q. If GEO had a choice between choosing brand</p> <p>24 name products and generic products with the generic</p> <p>25 products being cheaper the rational thing for GEO to do</p>	<p style="text-align: right;">Page 282</p> <p>1 cost for each of the four elements of the bed-day rate</p> <p>2 so that you can have the most competitive bed-day rate</p> <p>3 would it make any sense for GEO to buy the more</p> <p>4 expensive product?</p> <p>5 MR. DONOHUE: Object to the form.</p> <p>6 THE WITNESS: Again I don't know what they</p> <p>7 purchase, the brands, the types, et cetera, so I</p> <p>8 don't know.</p> <p>9 BY MR. FREE:</p> <p>10 Q. But that's not my question. My question is</p> <p>11 just as a principle, I'm not asking you like Dove</p> <p>12 versus, you know, with a bar of soap that you'll get at</p> <p>13 Dollar General. I'm just asking if you have a choice</p> <p>14 between two products, one of them is more expensive, one</p> <p>15 of them is less, you buy the cheaper one if you're</p> <p>16 trying to keep your costs down so you can have the most</p> <p>17 competitive bed-day rate if you're GEO, right?</p> <p>18 MR. DONOHUE: Object to the form.</p> <p>19 THE WITNESS: Again I don't know what the</p> <p>20 criteria is for the purchase.</p> <p>21 BY MR. FREE:</p> <p>22 Q. 1 Does GEO operate the -- You know what? Thank
2 you.
3 Is the - the work program at the Adelanto
4 Detention Center for immigration detainees who are paid
5 a dollar a day voluntary?
6 A. Yes.
7 Q. It is each detainee's choice whether he or she
8 wishes to participate in the work program at Adelanto,
9 correct?
10 A. That's my understanding.
11 Q. And just so we're clear, I'm not talking about
12 personal housekeeping listed in 5.8. I'm only talking
13 about the VWP.
14 A. Understood.
15 Q. Can we agree on that?
16 A. Agreed.
17 Q. All right, it is conceivable then that no
18 people you can find in Adelanto would make the choice to
19 work, correct?
20 A. Can you repeat that?
21 Q. If everybody at Adelanto has a choice whether
22 they want to work in the voluntary work program it is
23 conceivable, it's possible that nobody wants to work
24 there, right?
25 A. It's -- Yeah. I think that's possible.

Page 284

1 Q. Okay, it doesn't happen, right?
2 A. Right.
3 Q. But it is possible that the number of
4 voluntary work - voluntary workers at GEO and Adelanto
5 could be zero, right?
6 A. Yes.
7 Q. It is truly voluntary?
8 MR. DONOHUE: Object to the form.
9 THE WITNESS: Yes.
10 BY MR. FREE:
11 Q. Thanks.
12 Who determines the number of voluntary workers
13 at Adelanto?
14 A. I don't know.
15 Q. Who would know the answer to that question?
16 A. Excuse me.
17 The Facility Administrator.
18 Q. Mr. Janecka?
19 A. Yes, Mr. Janecka.
20 Q. Okay, is that consideration included in the
21 request for proposal process that you supervise and
22 lead?
23 MR. DONOHUE: Object to the form.
24 THE WITNESS: Can you repeat the question?
25 BY MR. FREE:

Page 285

1 Q. Sure.
2 Is the number of detainee voluntary workers at
3 Adelanto or at any other facility that you're
4 contracting with with ICE, is that number included in
5 your proposal in your negotiations with ICE if you're
6 GEO?
7 A. It's not - it's not because it's not known.
8 It's not known until after the contract's awarded and
9 then there's discussions between the facility
10 administrator and the ICE representative, so at the time
11 we submit a proposal we do not know what the numbers or
12 percentages will be.
13 Q. You can't predict that based on historical
14 data?
15 A. No.
16 Q. Why not?
17 A. Every - every office is different, so there is
18 no standard formula of being able to predict that.
19 Q. And so you don't as GEO?
20 A. No, so we don't --
21 Q. Okay.
22 A. -- so it's not included in our proposal that
23 we submit to ICE.
24 Q. And that -- I'm assuming when you say the
25 proposal that - it includes the component parts of the

Page 286

1 technical offering, is that how you described it, or the
2 technical response?
3 A. Correct.
4 Q. Okay, so that includes the staffing plan,
5 right?
6 A. Correct.
7 Q. And the historical performance information if
8 there is any, right?
9 A. Correct.
10 Q. And that could also include like labor
11 determinations for prevailing wages, right?
12 A. I think that's provided by ICE, the labor
13 determinations.
14 Q. Oh, yeah. Through the DOL.
15 A. Correct.
16 Q. The Department of Labor?
17 Okay, as part of this response to the RFP that
18 GEO submits to ICE there's no set number of expected
19 detainee voluntary workers at the facility, correct?
20 A. That is correct.
21 Q. Okay, is that because you can't depend on
22 having that labor because it's all voluntary, or what --
23 I just don't understand how you -- Like why is that? Is
24 it just - just because you don't know?

Of the - the way that GEO gets the bed-day 14 rate. You know, you add in all the costs, the labor. 15 You know, basically you add in elements one through 16 four, but that's in the spreadsheet, right? 17 A. Yes. 18 Q. Okay, and you submit it to ICE, right? 19 A. Correct. 20 Q. And detainee labor is not accounted for 21 anywhere in that spreadsheet, correct? 22 A. I don't know. 23 Q. I don't understand the question. 17 Q. Does GEO budget for that day when nobody shows 18 up where all the staff have to do all the labor that the 19 voluntary work program workers would do in its proposals 20 to ICE when it's trying to get a contract? 21 A. That's like one of the premises of your letter 15 to ICE is we're doing this because you're telling me. 16 We're - GEO is running the voluntary work program 17 because you're making us do it, right? 18 A. Yes. I agree. 19 Q. All right, so - so you know there's going to 20 be a voluntary work program, you know they have - 21 detainees have a choice to work or not and GEO also 22 knows that it's not just supposed to be make work 23 volunteering, right? Okay, and at some point GEO did propose it in 17 the facilities where detainee workers are paid more than 18 a dollar, correct? 19 MR. No, I was -- I guess I was being a little flip 3 with the - the answer about the dollar a day, so and - 4 but it is - it is part of our existing contract that 5 detainees who participate in the voluntary work program 6 are reimbursed a dollar a day, so I believe that's been 7 part of the contract since 2011. 8 Q. Okay, no. I understand. You're talking about 9 I knew from the lawsuit. 10 A. Yeah. 11 Q. You know from the contract? 12 A. Yeah. 13 Q. Okay, that's fine. 14 A. Like I said, I was being flip. 15 Q. No. I took that. I understand. 16 A. Sorry. 17 Q. You're fine. 18 Is that the same rate at all GEO ICE detention 19 facilities, a dollar a day? 20 A. No. 21 Q. As far as you understand it? 10 A. Yes. As far as I understand it. 11 Q. Okay, and GEO's not including as far as I 12 understand your testimony today an expected number of 13 detainee workers for any given task in the voluntary 14 work program, correct? 15 A. At the time of the proposal? 16 Q. Yes, sir. 17 A. Correct. 18 Q. Okay. All right. 19 Do you happen to know why it's a dollar a day 20 at Adelanto and some other places and more elsewhere? 21 A. No, I don't. 22 Q. Do you know who at GEO would know that? 23 A. I think each local Facility Administrator 24 would have the best knowledge of how that transpired. 25 Q. I think I understand your answer to the</p> <p>18 question about the differences in pay rates among GEO</p> <p>19 facilities to detainees in the voluntary work program to</p> <p>20 be that at those facilities there was some level of</p> <p>21 local negotiation between GEO and ICE to get a higher</p> <p>22 rate approved. <p style="text-align: right;">Page 299</p> <p>1 A. -- at any ICE facility, so I'm just not sure 2 how that works. 3 Q. Right. 4 Who could - who could I ask about where 5 detained immigrants at Adelanto can spend the money they 6 make in the voluntary work program? Who at GEO could I 7 ask about that? 8 MR. DONOHUE: Object to the form. 9 THE WITNESS: You could ask Mr. Janecka. 10 BY MR. FREE: 11 Q. Okay, anyone else? 12 A. I'm sure there's others that know. 13 Q. All right, would you agree that people who are 14 locked in immigration detention centers can reasonably 15 expect to want to use the telephone? 16 MR. DONOHUE: Object to the form. 17 THE WITNESS: Yes. I think that's a 18 reasonable expectation. 19 BY MR. FREE: 20 Q. And at no GEO facility are all telephone calls 21 free, right? 22 A. Not to my knowledge. Again we don't manage 23 the telephone system, so I don't know. That's operated 24 by ICE. 25 Q. Okay, is it part of your bed-day rate</p>	<p style="text-align: right;">Page 301</p> <p>1 Q. All right, so you've never seen anything that 2 actually breaks down what GEO's cost per detainee is, 3 right? 4 A. No, I don't. 5 Q. Okay. Fair. 6 We talked about earlier how people in 7 immigration detention facilities, including Adelanto, 8 are there either awaiting removal pursuant to an order, 9 maybe they're fighting their case but they've been 10 removed or they're awaiting a determination from an 11 immigration judge or a court on whether they should be 12 removed, right? 13 A. Yes. I recall that, yeah. 14 Q. The purpose of detention, right? 15 A. Yes. 16 Q. Those people are not entitled to a free lawyer 17 at government expense as a general rule, correct? 18 A. That's my understanding. 19 Q. Those people have to either find someone who 20 will work for their - for free to be their lawyer or 21 they have to hire a lawyer, correct? 22 MR. DONOHUE: Object to the form. 23 THE WITNESS: I think that's correct. 24 BY MR. FREE: 25 Q. Okay, they have a right - the detainees at</p>
<p style="text-align: right;">Page 300</p> <p>1 calculation to determine how much it will cost to 2 operate the telephone system at GEO? 3 A. No. Again for ICE facilities or Adelanto 4 specifically no. Again ICE has a separate contract for 5 that, so we don't have any involvement in that. 6 Q. Have you ever seen a calculation of a per 7 detainee cost for housing a person at Adelanto? In 8 other words, what does GEO spend as a company to house a 9 person in the facility? 10 A. I've never seen -- 11 Q. Okay. 12 A. -- a calculation like that. 13 Q. All right, is such a -- Regardless of whether 14 you've seen it, does GEO have - are you aware of whether 15 GEO has internally as a corporation such a - a number? 16 MR. DONOHUE: Object to the form. 17 THE WITNESS: I do not. 18 BY MR. FREE: 19 Q. Okay, so you've never seen or been aware of in 20 your role in putting together proposals for GEO it's 21 going to cost us fifty-two bucks to do all the food, 22 care, lodging, activities, all the stuff in element 23 number three of the bed-day rate? 24 Do you remember element three? 25 A. Yes.</p>	<p style="text-align: right;">Page 302</p> <p>1 Adelanto and other GEO facilities have a right to access 2 the mail, correct? In other words, send and receive 3 letters, right? 4 A. Yes. 5 Q. Okay, and I understand that based on this 6 contract to require indigent detainees to receive some 7 postage allowance. Is that your understanding as well? 8 A. Yes. There's accommodations for that. 9 Q. But at some level that can't just be 10 unlimited, right? Like that cost to GEO cannot be 11 unlimited? 12 A. I don't know. 13 Q. Okay, is that something that's factored in 14 when you calculate the bed-day rate, if you know? 15 A. I don't know. 16 Q. Okay, if no detainee workers showed up anymore 17 in any of the tasks at Adelanto would GEO have to alter 18 its staffing plan such that those tasks would be 19 completed? 20 MR. DONOHUE: Object to the form. 21 THE WITNESS: I don't know. 22 BY MR. FREE: 23 Q. Who would know the answer to that question? 24 A. That would be Mr. Janecka. 25 Q. Okay.</p>

13 Those are the only people you could pay a dollar a day?
14 MR. DONOHUE: Object to the form.
15 THE WITNESS: I guess that's true, yes. Yeah.
16 BY MR. FREE:
17 Q. Right.
18 A. Yeah.
19 Q. Do you have any idea of the timeline for the
20 Adelanto contract as it exists right now and whether
21 there will be a stopgap between the end of the IGSA and
22 the contract detention facility contract between GEO and
23 ICE?
24 A. I do not know.
25 Q. Do you know who's negotiating that?

Page 304

1 A. That would be Amber Martin.
2 Q. Okay, would that affect GEO's revenues if the
3 contract were cancelled?
4 A. Yes.
5 Q. Negatively, right?
6 A. Yeah. Negatively.
7 Q. Okay, if you had to go out and hire someone
8 from outside the facility and pay them more than a
9 dollar a day, I think we've said that would cost GEO,
10 correct?
11 MR. DONOHUE: Object to the form.
12 THE WITNESS: Correct.
13 BY MR. FREE:
14 Q. You could go to ICE and say, look, just like
15 you did with medical staffing or the collective
16 bargaining agreement GEO could go to ICE and say, look,
17 we're incurring this additional cost, pay us more,
18 there's our increased bed-day rate, right?
19 MR. DONOHUE: Object to the form.
20 THE WITNESS: Correct.
21 BY MR. FREE:
22 Q. The fact that GEO doesn't do that, that they
23 don't have to do that, they don't - GEO doesn't have to
24 do it, go out right now and hire workers to do what the
25 volunteer worker program people are doing, right,

2 MR. DONOHUE: Object to the form.

5 there were none I do not know if we would have to
6 hire more staff.
7 BY MR. FREE:
8 Q. Okay.
9 A. I just don't know.
10 Q. But I think Miss Martin or Mr. Janecka would
11 know that?
12 A. I think more so Mr. Janecka.
13 Q. Okay. I think what you've told me I think I
14 understand it is -- You know what? I think I
15 understand. I think I get it.
16 MR. FREE: We're going to take a break.

3 stopping GEO from doing that?
4 MR. DONOHUE: Object to the form, asked and
5 answered.
6 THE WITNESS: Other than the agreement,
7 contractual agreement that's already in place we
8 would have to propose it and get approval by ICE.
9 BY MR. FREE:
10 Q. Why?
11 A. Because it's a change in terms and conditions
12 of the contract that we agreed to, what we propose and
13 what was agreed to and then incorporated into the
14 contract --
15 Q. And --
16 A. -- at Adelanto.
17 Q. At Adelanto. Yeah, I want to make sure you're
18 really clear about what I'm asking. I'm not saying that
19 you would get more money from ICE and then pass that
20 through to a detainee worker. My question is could GEO
21 set up a detainee welfare program for voluntary workers
22 and instead of paying the reimbursed rate of a dollar a
23 day by ICE pay an increased rate?
